**Georges Bataille** Michel Surya, 2002. Translated by Krzysztof Filjalkowski and Michael Richardson. Winner of the 1987 Prix Goncourt for Biography. Georges Bataille (1897–1962) philosopher, writer, and founder of the influential literary review *Critique* had an enormous impact on the thinking of Foucault, Derrida, and Baudrillard, and his ideas have been the subjects of recent debates in a wide range of disciplines. In this acclaimed intellectual biography, Michel Surya enters into a complicity with Bataille's oeuvre to provide a detailed exposition of its themes as they developed against the backdrop of his life. The essence of Bataille's life and work were defined by transience and effacement, reflecting a will both to contest the impermanence of things and to confront death. His troubled childhood, his relationships with surrealism, and his paradoxical position at the heart of twentieth-century French thought are enriched here with testimonies from Bataille's closest acquaintances, making this a vivid and detailed study. Revealing the contexts in which he worked and the ways in which his work and ideas took shape, Surya sheds essential light on a figure Foucault described as one of the most important writers of the century.

*The Last Day of a Condemned Man* Victor Hugo, 2024-05-09. By the thin light of a prison cell, a nameless man counts down the final moments of his life. His heartbeat fills the silence; his pen scratches desperate words. In *The Last Day of a Condemned Man*, Victor Hugo delivers an intimate, harrowing monologue of a soul on death row—a work so vivid and compassionate that it reads like the confessions of a real condemned prisoner. First appearing anonymously in 1829, this short novel shocked polite society with its unflinching portrayal of a man's last six weeks before the guillotine. Hugo then, only in his twenties, dared to confront France's use of capital punishment, making an emotional plea that was ahead of its time. Early readers were astonished; some critics in 1829 dismissed the book as morbid fantasy, proving nothing yet. Others, including novelist Sainte-Beuve and poet Alfred de Vigny, hailed its penetrating psychological truth. Within a few years, Hugo's stance gained momentum. By 1832, he felt emboldened to attach his name and a powerful new preface to *The Last Day of a Condemned Man*, openly condemning the death penalty. What began as a risky anonymous publication had ignited a national conversation, helping to humanize the figure of the prisoner in the public mind. Told in the first person, *The Last Day of a Condemned Man* reads like the diary of someone who could be anyone—and that is Hugo's point. The protagonist
