

The book cover is divided into three main horizontal sections. The top section features a stylized world map with landmasses in grey and oceans in blue. Overlaid on the map are large, irregular patches of red and orange, likely representing a global oceanographic variable like sea surface temperature. The middle section is a solid light blue band containing the title in a dark blue, serif, all-caps font. The bottom section is a darker blue band with white, wavy, contour-like lines that resemble oceanographic data plots. The authors' names are printed in a dark blue, serif font at the very bottom.
