Woodchip Does Backyard BBQ Chip Wilkins,2022-11-03 I have worked hard to up my BBQ game After a few years of missteps and ruined meals it all started to make sense and the recipes were getting better Many pages of notes and a pile of receipts from my butcher shop later I began to be recognized locally as a pretty good BBQ cook I then progressed to competing in some cook off events where my real education began I learned methods and styles of BBQ that I never knew existed Slowly I caught on to this style of BBQ and started placing with good finishes in the events After learning the

competition side of this kind of BBQ I had to bring it back to my beginnings as a backyard cook As much as I enjoy competition style BBQ it is much more expensive and time consuming to do For these reasons it is not really good to do it for a church group or a small catering job for a wedding or birthday party We my wife and I also cook for some community events to support different causes and charities These are usually the BBQ cooks that we enjoy the most My goal here is to bring new cooks into the BBQ world with a little knowledge that hopefully cuts down on the trial and error of developing their own recipes I wrote these recipes to be easy to follow and understand I encourage the new cook to be brave try new stuff and keep notes Remember that even a total mistake and unrecognizable finished product is still a valuable learning event Do not be afraid to experiment a little you will soon have your own book of BBQ secrets to guard As you begin to be known as the BBQ guy or girl lady in your neighborhood be proud of what you have accomplished Also remember that you do not need the biggest most expensive equipment out there to be a good cook I always tell folks to buy what you can easily afford now and upgrade later Have fun be brave and use common sense when cooking Welcome to the greatest community of cooks in the world Smoke on my BBQ brothers and sisters *Master of the Grill* America's Test Kitchen,2016-04-26 Part field guide to grilling and barbecuing and part cookbook Master of the Grill features a wide variety of kitchen tested recipes for meat poultry seafood vegetables pizza and more These are the recipes everyone should know how to make the juiciest burgers barbecue chicken that s moist not tough tender grill smoked pork ribs the greatest steak and grilled potatoes to serve alongside Regional specialties are included too learn how to make Cowboy Steaks Alabama BBQ Chicken and Kansas City Sticky Ribs Colorful photography captures the beauty of the recipes and step by step shots guide you through everything you need to know A section on grilling essentials covers the pros and cons of gas and charcoal grills and which might be right for you as well as the tools you ll use with them such as grill brushes tongs vegetable baskets and wood chips and chunks
