can help disabled need kids like him by forming a foundation named after him She is now a teacher working with disabled children while going to school to become a doctor as planned The proceeds of these books will help keep the foundation open without relying on charity alone As a devoted mom I will continue to make the sacrifices necessary in order to make things happen in her journey to give back I asked God to give me the grace and the wisdom to persevere and to see that wish come true After all it is for a really good cause Thanks for reading God bless
