Recipe Shape Into Bows:

Recipes To Remember Barbara Magro, 2011-11 Part epicurean travel memoir part cookbook the author writes about her traditional Italian upbringing and the choices she made for her life after witnessing the roles of the women in her family Searching for adventures to feed her soul outside of wife mother and cook her advertising sales career brings her around the globe where she experiences multiple cultures world class food and becomes an adventurous epicure It wasn't until her mother was diagnosed with dementia in 2006 and her father was lovingly transitioning into becoming the primary caretaker that the author realized she never learned to cook the homemade Italian food with which she was raised With a sense of urgency she pursued writing them down before they would be lost forever Following the memoir the author provides the mouthwatering recipes that her mother prepared for her family for over 50 years including holiday specialties Recipes to Remember is a heartwarming journey around the globe in search of what she yearns for only to return home to find it 50% of all profits will be donated to the Alzheimer's Association

Recipe for Survival Nicholas Hyde, 2019-11-12 The ability to provide your own food may be a lost skill in modern society but it doesn't have to be lost on you Some folks believe we are nearing the days when this knowledge will once again become necessary for survival Even if that doesn't happen most will agree that becoming food self sufficient is one heck of a fun project Be forewarned however that there's more to food self sufficiency than raising a few chickens and doing a little vegetable gardening much more in fact Not to worry we got you covered Nicholas Hyde's latest book will properly equip you to become a healthy and productive homesteader one who melds with nature and delights in using all four seasons to their advantage There is no reason you can't always have meat starch and or fresh produce of some type on your table no matter how far off the grid you happen to live To say nothing of your plentiful reserve supply of home canned and dried foods What about salt sugar vinegar and oil Have you ever thought about how and where you can naturally harvest those necessities How will you make flour bread and pasta Do you know which types of grains are best for mini farming in your climate How can you be certain you will have enough vitamin C and complex carbohydrates We will cover all these issues and many more Soon you will be making your own hunting equipment catching fish unattended and snaring small game using cordage you made yourself from the fibers of common plants Glance at the 25 chapter titles and decide for yourself if you can live without the information in this comprehensive 32 000 word survival guide Recipe for Survival has been professionally edited and specially formatted for all devices so we can promise a smooth and enjoyable electronic reading experience complete with a clickable table of contents Pick up this invaluable resource today and always know where your next meal is coming from
