# Report For Jury Duty

**Louisiana. Supreme Court**

## Report For Jury Duty:

*Jury Duty* Michael Singer, 2012-07-06 Written by a legal scholar for the general reader this book demystifies the institution of the jury and validates its political power providing valuable insights for the more than 30 million Americans who receive a jury summons each year *Jury Duty Reclaiming Your Political Power and Taking Responsibility* presents an accessible account of the origins and development of the jury system as well as a comprehensive stage by stage description of a jury trial and of the sentencing procedure in a criminal trial The work also provides a unique estimate of the cost of the jury system which is particularly relevant in this continuing era of budget constraints Rejecting the justifications usually given for the jury system the work explains how the political roles of the jury constitute the chief value of the jury system The basis of these political roles is the unquestionable power of the jury to acquit even a guilty criminal defendant which allows juries to prevent the enforcement of unjust laws and the imposition of unjust punishments Accordingly the book challenges a range of practices that the judiciary has developed to obstruct the jury's exercise of this power Most people even including many lawyers remain unaware of these practices but they undermine the value of the jury system to our society Finally the book offers an original thought provoking analysis of the responsibilities imposed on criminal trial jurors in cases of compelling injustice
