Reprisal and Retribution Unknown Adversary Shawn Ballanger, 2014-12-15 It was a brisk Friday night in October and I was walking down Washington Avenue reliving the events of earlier that night I was bleeding out of my left side just below my rib cage the right side of my face felt like it was on fire everything I could see out of my left eye was fuzzy I had a gash the size of the Grand Canyon on my left leg both my hands were bruised and cut up and my left forearm was bleeding I was looking worse for wear and felt like I just got hit by a bus Thankfully it was late at night and the streets were empty This was a good thing for me because I didn t want anyone to see me let alone talk to me I eventually hobbled up to Second Street and took a right toward my loft I was about two hundred yards from my place when a car came screeching around the corner I turned to my left to see what was going on and noticed this was not just any car It was a bright yellow 1967 Fastback Mustang GT I had seen this car before With my newfound mortality I was unable to do much about it other than stare at it as it came roaring down the street right at me I told myself that it looked like I was going to miss that eleven o clock call
