

Grade 5

The Journey of a Sperm

Learner Outcomes

W-5.3 Identify the basic components of the human reproductive system, and describe the basic functions of the various components: e.g. fertilization, conception

How To Use

This lesson plan contains several activities to achieve the learner outcome above. You may choose to do some or all of the activities, based on the needs of your students and the time available. Some of the activities build on the ones that come before them, but all can be used alone.

For a quick lesson, combine activities A, C, D and G.

If you choose not to do all the activities, use your professional judgement to assess which outcomes you have covered and which may need additional activities.
