

# Works Cited Page Example

The image shows a screenshot of a document page titled "Works Cited" in the center. The page contains five entries, each with a hanging indent. Red annotations highlight specific formatting rules: a red circle at the top left indicates "Hanging indent is set."; a red circle around the title "Works Cited" indicates it is "centered"; a red circle around the page number "1" in the top right corner indicates "Page number is in consecutive order after the last page of text."; and a red arrow pointing to the end of the first entry indicates "Return only after an entry is completed. This allows the hanging indent to work in the entry." On the left side, three red text blocks provide additional instructions: "Entries are in alphabetical order by author's last name.", "If no author, use the first letter of the article title.", and "Consult the MLA Style Manual for more specifics."

Hanging indent is set.

centered  
Works Cited

Page number is in consecutive order after the last page of text.

Entries are in alphabetical order by author's last name.

If no author, use the first letter of the article title.

Consult the MLA Style Manual for more specifics.

Return only after an entry is completed. This allows the hanging indent to work in the entry.
