For easiest review, there should be 1 main idea per notecard, that is, 1 notecard for each question and answer. After the important points have been placed on notecards in question and answer form, the next step is to recite.

## How to Recite Notecards

**STEP 1.** Read a question **ALoud** from a notecard.

**STEP 2.** Recite the answer **ALoud** as completely as possible from memory as if lecturing a class. Some learners prefer to write an answer from memory as if taking a test. The best way is to do both but at different times.
