Ready Reset Mate is a dating guide for mature adults who are likely looking for love the second time around in a vastly different dating culture. This indispensable handbook focuses on understanding your readiness to date using the Internet to find potential partners, forming a connection and establishing a healthy foundation for building a relationship. Finding a relationship means you may have to date many people. Ready Reset Mate provides a method to help minimize that number before finding your best fit partner. It details the fundamentals of choosing a partner: why we want one, what to look for and how to define the best fit, and concludes with how to hang onto a relationship once you have found one. It is about becoming the best version of yourself, knowing what you are looking for and creating a strategy for meeting that special someone. Dating can be like finding that infamous needle in a haystack fraught with challenges and issues, especially if you are not ready for them. Helstrom talked with both male and female daters about their challenges and problems and has captured their concerns along with his own experiences to provide valuable time-saving tips for those who may not have yet dated in the Internet era. **The Mushin Way to Peak Performance** Michael Veltri, 2017-01-17. With pragmatic advice and wisdom drawn from the guiding principles of the Japanese martial art of Aikido, you'll find your inner warrior and learn that even the most challenging battles can be won or may not even need to be fought. When you set your sights high, peak performance can feel like a constant uphill battle fraught with failures and disappointments. What if success was more like a transformational river current that carries you along to your goal? This book shows you how to come down off the hill into the refreshing waters of mindfulness to begin your journey to the top. Develop laser-like focus even in high stress environments. Identify and develop your own innate leadership qualities. Turn setbacks into opportunities and defeat into victory. Achieve much more than ever before with far less effort.
