Residential Services Practice Manual:

Residential Services Practice Manual, 2007 Providing Residential Services for Children and Young People

Catherine Street, 2018-08-09 First published in 1999 this timely and challenging volume assesses children's residential services in the UK in the wake of the Residential Provision and the Children Act 1989 using extensive interviews with providers of residential therapeutic services. A difficult task in any circumstances issues discussed with telling and convincing detail include the financial difficulties of these services staff morale which children have need of residential services the effects of policy reform rates of emotional and behavioural disorders the costs of services and long term therapeutic units. This exemplary study is comparable to Sir William Utting's 1997 report *People Like Us* adding new dimensions and insights to the current debate. It should be widely read and discussed by policy makers and practitioners concerned with child care and protection.

The Social Worker's Practice Manual Neil Thompson, 2023-08-21 An essential handbook for students and experienced social workers alike this practical guide filters out the jargon and sets out what you really need to know. 30 easy to follow chapters delve into topics ranging from holistic thinking to effective record keeping all rooted in Neil Thompson's extensive hands-on experience. Complicated subjects such as cultural sensitivity and managing conflict are discussed thoughtfully and pragmatically helping you understand the roots of tricky situations and find effective solutions. Each section successfully combines theory and practice to give a holistic view of social work that can be tailored to help each unique client. Over 45 years of experience distilled into one manual for success.

Group Homes for People with Intellectual Disabilities Tim Clement, Christine Bigby, 2010 Draws on a unique 3 year action research study that surveyed daily life and residents' experiences. Provides evidence based strategic and practical suggestions for ways that staff and organisations can improve quality of life for residents. Authors from La Trobe University Australia *Colorado*

Community-based Residential Services Manual Colorado. Division for Developmental Disabilities, 1978 *Family-Centered Services in Residential Treatment* John Y Powell, 2021-03-04 Adopt a more effective approach to temporary and long term residential care. Presenting the voices of staff parents and residents. *Family Centered Services in Residential Treatment* New Approaches for Group Care examines the changes and challenges of residential care from the old fashioned orphanage to the modern group care home. These thoughtful essays offer suggestions and methods to provide more effective services in temporary and long term settings. Containing case studies personal experiences and professional insights about the potentials and limitations of residential care this reliable resource will help you develop improved services for youths and their families. *Family Centered Services in Residential Treatment* presents fresh evaluations of new and old techniques as well as ideas for meeting individual needs. By building connections among parents youths and staff you can develop more successful treatment programs and encourage stronger family ties even when children are best served by long term residential care. *Family Centered Services in Residential Treatment* addresses the crucial questions of residential care including how can staff ease

children's transitions into and out of residential care what do parents of emotionally disturbed youth need from the staff and professionals in a residential care setting what was right and wrong about the old fashioned orphanage Could such an institution work today how does the transition to the teamwork approach affect staff members when is residential care most beneficial to children what kind of care is appropriate for AIDS orphans Family Centered Services in Residential Treatment will help psychologists therapists and social workers unite theory and practice to create a family oriented environment for troubled clients

Community Care Practice and the Law Michael Mandelstam, 2005 This third edition of Community Care Practice and the Law has been substantially rewritten and restructured to reflect the rapid legal and policy changes affecting the community care field It provides comprehensive and jargon free explanations of both community care legislation and other areas of the law directly relevant to practitioners Topics covered include assessment and eligibility criteria fair access to care and waiting times placing people in care homes non residential domiciliary and home care services carers assessments and services home adaptations and disabled facilities grants direct payments continuing health care and health services generally including community equipment services joint working between local authorities and the NHS single assessment process intermediate care decision making capacity and incapacity information sharing adult protection human rights and disability discrimination health and safety at work legislation including manual handling people subject to immigration control including asylum seekers care standards Numerous examples of legal cases and ombudsman investigations clearly illustrate the practical impact of legislation on community care A separate chapter provides an at a glance view of the whole range of legislation underpinning the everyday work of practitioners The author also identifies the underlying mechanisms tensions and problems affecting community care law and practice Primarily covering England in detail much of the legal case law covered and the legal principles involved are of general relevance across the United Kingdom and where material is not directly applicable to Wales Scotland and Northern Ireland short summaries offer general pointers for the position in these three countries This book is an essential guide for practitioners and managers in both the statutory and voluntary sectors policy makers in local and central government advocates lawyers and social work students

Resources in Education, 1998

Residential Care of Children Mark E. Courtney, Dorota Iwaniec, 2009-03-25 For centuries societies have relied upon residential care settings to provide homes for children and for much of that period a debate has raged over whether such settings are appropriate places for children to be raised In recent years this debate has taken on an international dimension as human rights policies have called into question the legitimacy of residential care of children Unfortunately the ideological fervor that usually accompanies such discussions prevents a more nuanced understanding of the reasons that countries continue to make use of residential care Residential Care of Children Comparative Perspectives fills major gaps in knowledge about residential care and is intended to inform debates within and between nations about the appropriate use of such institutions Eleven country specific chapters written by child welfare

experts from around the world provide an in depth understanding of the historical development of residential care the current state of affairs and predictions for the future Chapters describe how residential care is defined in each country how it has evolved over time factors that have contributed to the observed pattern of development of residential care and potential concerns for the future An integrative chapter presents a critical cross national perspective identifying common themes and analyzing underlying factors Seeking to explain rather than cast judgment Residential Care of Children Comparative Perspectives will be fruitful reading for policymakers program administrators advocates practitioners and scholars interested in creating better services for vulnerable children and youth **Journal of Human Services Abstracts** ,1984 **From**

Residential Care to Supported Housing Angelo Barbato,Carol Ann Harvey,Alain Lesage,Barbara D'Avanzo,Antonio Maone,2020-07-17 This eBook is a collection of articles from a Frontiers Research Topic Frontiers Research Topics are very popular trademarks of the Frontiers Journals Series they are collections of at least ten articles all centered on a particular subject With their unique mix of varied contributions from Original Research to Review Articles Frontiers Research Topics unify the most influential researchers the latest key findings and historical advances in a hot research area Find out more on how to host your own Frontiers Research Topic or contribute to one as an author by contacting the Frontiers Editorial Office frontiersin.org about contact **Elder Abuse and Neglect in Residential Settings** Frank Glendennina,Paul

Kingston,2014-06-03 Elder Abuse and Neglect in Residential Settings Different National Backgrounds and Similar Responses contains insights and examples from other countries where elder abuse and neglect have been recognized as an issue requiring social policy attention Nursing home employees as well as professionals and policymakers will explore the physical as well as the psychological aspects of neglect in nursing homes Elder Abuse and Neglect in Residential Settings discusses deliberate physical abuse and more common forms of neglect and abuse such as bedsores poor nutrition improper medication and vermin infestation Let this informative guide help you recognize the causes of elder abuse and neglect in order to prevent the same problems in your nursing home Examining nursing home settings in America Canada England Sweden the United Kingdom and South Africa to bring you firsthand accounts of the problems of elder abuse on a multicultural level It also examines reasons for abuse and neglect such as poor wages long hours low job prestige of nurses aides and high exhaustion levels that have led to abuse and neglect by even the most caring individual Through Elder Abuse and Neglect in Residential Settings you will discover what factors directly correlate to the abuse and neglect of patients by examining the high turnover rates of the lower paid nurses aides understanding that well qualified staff do not choose to work in nursing homes and that often abuse and neglect are committed by nurses aides gaining insight into the risks of physical assault and verbal abuse by patients that nurses aides may endure everyday exploring the psychological aspects of neglect in nursing homes such as uncleanliness the lack of attractiveness in the physical environment inadequate diet infantilization and passive neglect and what can be done to prevent these behaviors Elder Abuse and Neglect in Residential

Hearings, Reports and Prints of the House Committee on Education and Labor United States. Congress. House. Committee on Education and Labor,1978 *Planning For Life* Liam Concannon,2005-08-15 This book traces the development of services for people with disabilities and discusses how much things have really changed for today s service users since the days of asylums It also assesses whether the policy of involvement such as that outlined in *Valuing People* is achievable in practice or simply places unrealistic burdens on professionals and service users Based on findings from original research and interviews the author argues that involving people with learning disabilities in service planning is difficult to achieve successfully and is currently to a large extent tokenistic This area of challenging practice and emotive debate is brought to life by the voices of service providers carers and the service users themselves and illustrates the realities of working with people with learning disabilities *Planning for Life* is valuable and informative for students of social work social care and social policy and will be enlightening reading for those working with adults with learning disabilities in policy and in practice *Therapeutic Residential Care for Children and Youth* James K Whittaker,Jorge Fernandez del Valle,Lisa Holmes,2014-09-21 Definitive and wide ranging this international review of therapeutic residential child care covers the latest research on how it works how much it costs compared with the outcomes it delivers and how to deliver this effective form of care for the most troubled children in public care **Clevenger's Practice Manual of New York** ,1928 *SNI Documents* 1979 ,1980 **Geriatric Residential Care** Robert D. Hill,Brian L. Thorn,John Bowling,Anthony Morrison,2013-06-17 This book s main goal is to examine the concept of residential care from a psychological perspective The chapter authors espouse a psychological approach to long term residential care and an effort is made throughout the text to present a model of care that encompasses the whole individual Since psychologists are being increasingly asked to provide consultation to long term residential care facilities the need for psychologically based care models has become apparent This text offers assistance in developing and maintaining residential care environments that maximize quality of life and personal well being in the presence of declining physical and emotional resources that are associated with the vicissitudes of living into advanced aging *Geriatric Residential Care* is divided into four parts Part I addresses psychological and social issues facing the frail elderly who are candidates for or are living in residential care settings Part II addresses issues in the assessment of individuals in residential care Part III highlights the design and execution of intervention strategies in residential care Part IV addresses how organizational aspects of residential care contexts can optimize the quality and meaningfulness of care **Clearinghouse Review** ,1981 **Oversight Hearing on the Juvenile Justice and**
