Hanoi's War Lien-Hang T. Nguyen, 2012-07-15 While most historians of the Vietnam War focus on the origins of U S involvement and the Americanization of the conflict Lien Hang T Nguyen examines the international context in which North Vietnamese leaders pursued the war and American intervention ended This riveting narrative takes the reader from the marshy swamps of the Mekong Delta to the bomb saturated Red River Delta from the corridors of power in Hanoi and Saigon to the Nixon White House and from the peace negotiations in Paris to high level meetings in Beijing and Moscow all to reveal that peace never had a chance in Vietnam Hanoi s War renders transparent the internal workings of America s most elusive enemy during the Cold War and shows that the war fought during the peace negotiations was bloodier and much more wide ranging than it had been previously Using never before seen archival materials from the Vietnam Ministry of Foreign Affairs as well as materials from other archives around the world Nguyen explores the politics of war making and peace making not only from the North Vietnamese perspective but also from that of South Vietnam the Soviet Union China and the United States presenting a uniquely international portrait *Happy in Hanoi: The Local Guide to Hanoi, Vietnam* Elly Thuy Nguyen, 2023-11-13 Hanoi a maze of alleys lakes pagodas jazz clubs cafes and Soviet statues Even for us Vietnamese people Hanoi is infamously inscrutable It s Vietnam s enigma wrapped in a mystery with egg cream on top You can take the easy

Evaluation of the International Finance

Corporation's Global Trade Finance Program, 2006-12 The World Bank,2013-09-04 As part of its strategy to support global trade the World Bank Group seeks to enhance trade finance in emerging markets In 2005 the International Finance Corporation IFC part of the Bank Group introduced the Global Trade Finance Program GTFP to support the extension of trade finance to underserved clients globally This IEG evaluation found that overall the GTFP was a relevant response to the demand to reduce risk in trade finance in emerging markets The program significantly improved IFC s engagement in trade finance by introducing an open network of banks and a quick flexible response platform to support the supply of trade finance IEG s evaluation covers the program s operations from its inception in 2005 through FY2012 The program grew from a 500 million annual commitment to 5 billion in FY12 It accounted for 39 percent of total IFC commitments and has low costs it accounted for 2.4 percent of IFC s capital use and 1.2 percent of its staff costs and has had no claims to date It is profitable as well although not to the extent originally expected accounting for 0.6 percent of IFC s net profit IEG found that the GTFP has particular additionality among higher risk countries In its early years it was concentrated in these countries particularly in Africa During the global crisis the program risk mitigation instrument became relevant in much broader markets Client feedback on the program has been positive In its evaluation IEG does offer several recommendations to enhance its effectiveness including on issues of transparency and reporting methods as well as expanding the share of the program in needier markets For development professionals the lessons in this evaluation can be applied to private sector development situations particularly mitigation of financing risks in emerging markets

The Indochinese Experience of the French and the Americans

Arthur J. Dommen,2002-02-20 Dommen s book promises to be the definitive political history of Indochina during the Franco American era William M Leary E Merton Coulter Professor of History University of Georgia This magisterial study by Arthur J Dommen sets the Indochina wars French and American in perspective as no book that has come before He summarizes the history of the peninsula from the Vietnamese War of Independence from China in 930-39 through

the first French military actions in 1858 when the struggle of the peoples of Indochina with Western powers began Dommen details the crucial episodes in the colonization of Indochina by the French and the indigenous reaction to it The struggle for national sovereignty reached an acute state at the end of World War II when independent governments rapidly assumed power in Vietnam and Cambodia When the French returned the struggle became one of open warfare with Nationalists and Communists gripped in a contest for ascendancy in Vietnam while the rulers of Cambodia and Laos sought to obtain independence by negotiation The withdrawal of the French after their defeat at Dien Bien Phu brought the Indochinese face to face whether as friends or as enemies with the Americans In spite of an armistice in 1954 the war between Hanoi and Saigon resumed as each enlisted the help of foreign allies which led to the renewed loss of sovereignty as a result of alliances and an increasingly heavy loss of lives Meticulous and detailed Dommen s telling of this complicated story is always judicious Nevertheless many people will find his analysis of the Diem coup a disturbing account of American plotting and murder This is an essential book for anyone who wants to understand Vietnam and the people who fought against the United States and won

Marigold James Hershberg,2012-01-11 Marigold presents the first rigorously documented in depth story of one of the Vietnam War s last great mysteries the secret peace initiative codenamed Marigold that sought to end the war in 1966 The initiative failed the war dragged on for another seven years and this episode sank into history as an unresolved controversy Antiwar critics claimed President Johnson had bungled or worse deliberately sabotaged a breakthrough by bombing Hanoi on the eve of a planned secret U S North Vietnamese encounter in Poland Yet LBJ and top aides angrily insisted that Poland never had authority to arrange direct talks and Hanoi was not ready to negotiate This book uses new evidence from long hidden communist sources to show that in fact Poland was authorized by Hanoi to open direct contacts and that Hanoi had committed to entering talks with Washington It reveals LBJ s personal role in bombing Hanoi as he utterly disregarded the

pleas of both the Polish and his own senior advisors The historical implications of missing this opportunity are immense Marigold might have ended the war years earlier saving thousands of lives and dramatically changed U S political history
