A Christmas Picture Book: Season Seven Antoinette Stockenberg, 2020-10-01 My latest mantel village and its accompanying story celebrate their seventh anniversary this year and no one is more surprised by that than I am I hadn't intended to write so many chapters for so many years but it turns out that after arranging my little tin figures around my little cardboard houses their stories just beg to be told The funny thing is the village arrangement comes first and the story grows from that Isn't that backwards I'm a writer I should know the answer to that In any case enjoy The Village Has an Election NOTE This pictorial eBook contains large images and is designed to be viewed on an actual tablet such as an Android based tablet or an iPad with the Google Play App installed Viewing it on a tablet will allow the images to be enlarged and explored The best way to view this pictorial eBook is in landscape mode with two columns displayed In a two column display the images are quite small initially but can be expanded to full screen size by tapping on them I recommend that you download Season One first which is free to make sure that this type of eBook works well on your eReader

A Christmas Picture Book: Season Five Antoinette Stockenberg, 2019-01-11 Visitors to my Christmas mantels quickly realize that I am seriously in love with the pre WW II cardboard Christmas houses that so captivated Americans then and now I don't own many of those houses because my mantel won't hold many and a good thing too because it seems a little silly to have to take out a second mortgage to buy a house made out of cardboard Although a couple of the houses I have are rare most of them are common All of them are charming And yet how can any village charm without villagers Pre war German tin figures Zinnfiguren match the scale of the houses the people can actually fit through the doors and fairly beg someone to tell their tales That's what I've been doing for a few years now in my continuing Christmas tale So please take a stroll through the village as it pays homage this year to The Winter Olympics NOTE This pictorial eBook contains large images and is designed to be viewed on an actual tablet such as an Android based tablet or an iPad with the Google Play App installed Viewing it on a tablet will allow the images to be enlarged and explored The best way to view this pictorial eBook is in landscape mode with two columns displayed In a two column display the images are quite small initially but can be expanded to full screen size by tapping on them I recommend that you download Season One first which is free to make sure that this type of eBook works well on your eReader
