

Example fundraising plan

Sponsorship

It seems daunting when you have a large minimum sponsorship target. However you should break this down over the months that you have before the challenge and plan your fundraising activities. This will make nice sizeable targets to hit each month e.g. £1,000 over 5 months = £200 per month.

Remember to have fun during fundraising too as there is two parts to the Three Peaks Challenge – raising the sponsorship for a great cause and walking the highest mountains in the UK!

Plan your fundraising activities

Below is an example of a fundraising plan to help get you started. When writing your plan consider who you know, where you work, how to get press coverage and what people will get by sponsoring you e.g. burger and beer fundraising night.

Fundraising plan

Month 1	Online giving webpage – This takes about 15 minutes to set by visiting www.virginmoneygiving.com or www.justgiving.com . Once you have set a page up you can email the link to all your friends, family and work colleagues. Amount raised: £200 - £350
Month 2	Ask your employer – Many employers do a match giving scheme and if they don't, it's worth asking if they would give a donation towards your target. If they are not open to donations what about donating a day's annual leave that you can raffle to all your work colleagues. Amount raised: £150 - £300
Month 3	Supermarket bag pack – Contact your local supermarket and book a day when your friends and family can pack bags for customers. Amount raised: £200 - £600
Month 4	Burger and beer night – Ask local butchers/supermarkets to donate burgers/beer/wine and set up a fundraising night where people pay £5 and get a burger and beer/wine. During the night you can have other fundraising games such as 'throw a pound closest to the whisky bottle'. Amount raised: £100 - £300

Total raised: £650 - £1,550

Fundraising materials

We have lots of fundraising materials to help you stand out from the crowd such as banners, balloons, collection tins, zip pulls etc. These are all free to our fundraisers to help you organise your own event and raise lots of sponsorship.

Fundraising, Flirtation and Fancywork Annette

Shiell,2014-07-24 Fundraising Flirtation and Fancywork examines the history and development of the charity bazaar

movement in Australia Transported from Britain the charity bazaar played an integral role in Australian communal social and philanthropic life from the early days of European settlement Ranging in size and scale from simple sales of goods to month long extravaganzas charity bazaars were such a popular and successful means of raising revenue that they sustained the majority of the nation s major public and religious institutions The nineteenth century charity bazaar was a paradox On the one hand it encapsulated responsibility and civic duty through its raison d etre which was the provision of support for charitable causes On the other it encouraged a loosening of social and gendered restraint as women of the middle and upper classes repositioned themselves in a public space where the acquisition of material goods gambling and flirting with men was actively encouraged From their inception bazaars were the domain of women They provided middle and upper class women with an opportunity to exercise their organisational creative and social skills outside the domestic sphere within a framework of socially acceptable philanthropic endeavour Women s dominance and public role in charity bazaars destabilised conventional gender relations The nucleus of the charity bazaar was the fancywork produced by women for sale on the stalls Bazaars were an accessible and important repository for the display and sale of women s creative work and the bazaar movement was instrumental in shaping women s fancywork Bazaars were revered and reviled in colonial Australia Despite the criticisms and the many social and cultural changes that occurred in nineteenth century Australia charity bazaars continued to escalate in number popularity and complexity They predated and influenced the great international exhibitions and the development of larger shops and emporiums and by the end of the century had evolved into themed entertainment and shopping spectacles known as grand bazaars Charity bazaars mirrored and shaped the social customs mores and fashions of their time and are a rich largely untapped interdisciplinary historical source
