

NEBOSH International General Certificate in Occupational Health and Safety

Questions & Answers

The below is a compilation of questions and answers from various sources. This compilation is divided into 3 parts:

- (1) Past Questions & Answers from NEBOSH IGC Examinations with answers from experts.
- (2) Practice Questions & Answers from NEBOSH IGC Examinations with answers presented in bulleted form. The author takes no responsibility for answers given in exams in the style portrayed in the PRACTICE questions and answers written by the author.
- (3) Revision Questions & Answers from NEBOSH IGC Examinations with answers presented element wise. As their name indicates, these questions intended to help you revise the main points of each unit. Having said that, many of the questions could also be found, little changed, in your Certificate examination. Generally, the questions are arranged in 'syllabus content' order.

Note: Some of the questions in the below sections are from NEBOSH NGC. The NGC and IGC refer different legislation in their exams so it would not be the best idea to have a look through the NGC1 papers however the NGC2 (the risk paper) does have similar general questions but be careful again of the references to legislation. The author recommends sticking to the IGC exam papers only to prevent any issues and confusion when the exam time arrives - it will be no good having model answers for an NGC question for an IGC question. Also note that wherever allotted marks were mentioned in the original source, they have been also been mentioned over here.
