Obake Ghostly Encounters In Supernatural Hawaii

Ellie Crowe, William Crowe

Obake Ghostly Encounters In Supernatural Hawaii:

The Obake Files Glen Grant,1996 **American Regional Folklore** Terry Mood Leopold,2004-09-24 An easy to use guide to American regional folklore with advice on conducting research regional essays and a selective annotated bibliography American Regional Folklore begins with a chapter on library research including how to locate a library suitable for folklore research how to understand a library s resources and how to construct a research strategy Mood also gives excellent advice on researching beyond the library locating and using community resources like historical societies museums fairs and festivals storytelling groups local colleges newspapers and magazines and individuals with knowledge of the field The rest of the book is divided into eight sections each one highlighting a separate region the Northeast the South and Southern Highlands the Midwest the Southwest the West the Northwest Alaska and Hawaii Each regional section contains a useful overview essay written by an expert on the folklore of that particular region followed by a selective annotated bibliography of books and a directory of related resources *Legendary Hawai'i and the Politics of Place* Cristina Bacchilega,2011-06-03 Hawaiian legends figure greatly in the image of tropical paradise that has come to represent Hawai i in popular imagination But what are we buying into when we read these stories as texts in English language translations Cristina Bacchilega poses this question in her examination of the way these stories have been adapted to produce a legendary Hawai i primarily for non Hawaiian readers or other audiences With an understanding of tradition that foregrounds history and change Bacchilega examines how following the 1898 annexation of Hawai i by the United States the publication of Hawaiian legends in English delegitimized indigenous narratives and traditions and at the same time constructed them as representative of Hawaiian culture Hawaiian mo olelo were translated in popular and scholarly English language publications to market a new cultural product a space constructed primarily for Euro Americans as something simultaneously exotic and primitive and beautiful and welcoming To analyze this representation of Hawaiian traditions place and genre Bacchilega focuses on translation across languages cultures and media on photography as the technology that contributed to the visual formation of a westernized image of Hawai i and on tourism as determining postannexation economic and ideological machinery In a book with interdisciplinary appeal Bacchilega demonstrates both how the myth of legendary Hawai i emerged and how this vision can be unmade and reimagined [Obake Files](#) Glen Grant,1999-02

Trauma and Dissociation in a Cross-Cultural Perspective George F Rhoades Jr,Vedat Sar,2013-05-13 An international look at the similarities and differences of long lasting trauma Trauma and Dissociation in a Cross Cultural Perspective examines the psychological sociological political economic and cultural aspects of trauma and its consequences on people around the world Dispelling the myth that trauma related dissociative disorders are a North American phenomenon this unique book travels through more than a dozen countries to analyze the effects of long lasting traumatization both natural and man made on adults and children Working from theoretical and clinical perspectives the field s leading experts address trauma in

situations that range from the psychological effects of the Troubles in Northern Ireland to the emergence of Hikikomori the phenomenon of social withdrawal in Japanese youth Reactions to trauma can be both unique according to a person's culture and similar to the experiences of others around the world Dissociation intense grief anger and survivor's guilt are common responses as people split off mentally physically and emotionally from the source of the trauma whether it's an act of nature tsunami earthquake flood etc or the trauma created by violence physical sexual and emotional abuse assault confinement kidnapping and war Trauma and Dissociation in a Cross Cultural Perspective examines the efforts of clinicians and researchers in Europe Asia the Middle East South America Australia and New Zealand to develop sociopsychological methods of providing counseling to people who are suffering physically emotionally and spiritually training for professionals counted on to dispense that counseling and economic and political solutions that might help to limit the devastating effects of natural disasters Trauma and Dissociation in a Cross Cultural Perspective examines the tensions between the National Health Service and the private sector in the United Kingdom how the Mandarin version of the Dissociative Experiences Scale DES is used in China Djinnai a culture bound syndrome and possession trance disorder found in Iran how colonialism has transmitted trauma to the Maori people of New Zealand transgenerational trauma in Turkey religious rituals and spirit possession in the Philippines memory wars in Israel traumatic syndromes among the French differences in dissociative experiences among Chinese and Japanese youth childhood trauma in Argentina and much more Trauma and Dissociation in a Cross Cultural Perspective is an enlightening professional resource for anyone working in psychology sociology psychiatry and psychotherapy
