examiners and practicing teachers each book in this series contains activities and useful features intended to aid understanding Knowledge is tested throughout with progress checks at the end of every chapter and practice questions at the end of each section *Classical Civilisation and Ancient History in British Secondary Education* Edith Hall,Arlene Holmes-Henderson,2025-07-08 An Open Access edition will be available on publication on the Liverpool University Press website thanks to funding from the Arts and Humanities Research Council AHRC In the UK A Levels and GCSEs in Classical Civilisation and Ancient History offer exciting avenues through which to access the cultures of people who spoke ancient Greek and Latin and their neighbours across the ancient Mediterranean and Black Sea worlds They are inherently interdisciplinary offering an outstanding opportunity to study a civilisation in the round using diverse sources from literary and philosophical texts to legal documents inscriptions art architecture and archaeology Yet many people are either unaware

of the existence of these courses or do not understand their contents This unprecedented study by two Classics Professors at the University of Durham with extensive experience of teaching in schools and HEIs charts the subjects historical development and emergence in their current form since the mid 20th century explaining and illustrating their contents It describes the skills and competencies that they confer which are valued by university admissions offices and employers alike It presents the results of interviews with several significant participants in the story of these classical subjects and of questionnaires filled in by many additional teachers and students It also offers practical advice on how to introduce Classical Civilisation and or Ancient History at secondary level with guides to bibliographical and other resources **PISA Science**

**2006** Rodger W. Bybee, Barry McCrae, 2009 Comprehensive thought provoking and indispensable PISA Science 2006 provides educators with a top down view of where we stand today in science education and what this means for students and educators **The School Science Review**, 2007 *State Sponsored Literature* Asha Rogers, 2020-03-05 Debates about the value of the literary rarely register the expressive acts of state subsidy sponsorship and cultural policy that have shaped post war Britain In *State Sponsored Literature* Asha Rogers argues that the modern state was a major material condition of literature even as its efforts were relative partial and prone to disruption Drawing from neglected and occasionally unexpected archives she shows how the state became an integral and conflicted custodian of literary freedom in the postcolonial world as beliefs about literature's public were radically challenged by the unrivalled migration to Britain at the end of Empire *State Sponsored Literature* retells the story of literature's place in post war Britain through original analysis of the institutional forces behind canon formation and contestation from the literature programmes of the British Council and Arts Council and the UK's fraught relations with UNESCO to GCSE literature anthologies and the origins of *The Satanic Verses* in migrant Camden The state did not shape literary production in a vacuum Rogers argues but its policies practices and priorities were also inexorably shaped in turn Demonstrating how archival work can potentially transform our understanding of literature this book challenges how we think about literature's value by asking what state involvement has meant for writers readers institutions and the ideal of autonomy itself French T.
