Assange s accusation that Facebook is the most appalling spying machine that has ever been invented Facebook CEO Mark Zuckerberg once said We exist at the intersection of technology and social issues This book offers discourse and practical advice on the privacy issue in the age of big data business intelligence in social media e government and e activism as well as personal total information awareness This expanded edition also includes insights from Wikipedian Emily Temple Wood and Facebook ROI experts Dennis Yu and Alex Houg **Who's Watching You?** John Gibb,Mack Farren,2007-05-01 The threat of terrorism and the corresponding climate of fear encouraged by the government have together eroded our freedom to live our lives in peace and quiet away from the prying eyes of hidden cameras The government is tightening its grip on us by watching and recording what we do They are doing this because they know they can and because knowledge is power But exactly who are they and why do they want to know so much about us This book includes chilling accurate and up to date descriptions of the methods the government and private company proxies use to watch us **Community Policing in Indigenous Communities** Mahesh K. Nalla,Graeme R. Newman,2013-03-04 Indigenous communities are typically those that challenge the laws of the nation states of which they have become often very reluctantly a part Around the world community policing has emerged in many of these regions as a product of their physical environments and cultures Through a series of case studies Community Policing in Indigenous Communities explores how these often deeply divided societies operate under the community policing paradigm Drawing on the local expertise of policing practitioners and researchers across the globe the book explores several themes with regard to each region How community policing originated or evolved in the community and how it has changed over time The type of policing style used whether informal or formal and uniformed or non uniformed whether partnerships are developed with local community organizations or businesses and the extent of covert operations if any The role played by community policing in the region including the relative emphasis of calls for service the extent to which advice and help is offered to citizens whether local records are kept of citizen movement and locations and investigation and arrest procedures The community s special cultural or indigenous attributes that set it apart from other models of community policing Organizational attributes including status in the hierarchy of control within the regional or national organization of policing The positive and negative features of community policing as it is practiced in the community Its effectiveness in reducing and or preventing crime and disorder The book demonstrates that community policing cannot be imposed from above without grassroots input from local citizens It is a strategy not simply for policing with consent but for policing in contexts where there is often little if any consent It is an aspirational practice aimed to help police and communities within contested contexts to recognize that positive gains can be made enabling communities to live in relative safety *Double Down on Your Data, Third Edition* Clive J.
