September 21st, 2023

Life Reimagined Ventures
(407) 921-6941

Dear Scholarship Committee,

My name is Denise Chiu, and I am a current undergraduate student at the University of California-Berkeley, pursuing a Bachelor of Arts in Computer Science with a double major in Conservation and Resource Studies. I came across your Elevate Women in Technology Scholarship on careeronestop.org and knew it would be the perfect opportunity to advance my goal of using technology to improve local conservation efforts.

During my two years at UC Berkeley, I have maintained a GPA above 3.75 and excelled in all of my classes. I'm also the president of the Berkeley Green Tech Club, where students brainstorm and collaborate, finding innovative ways to use technology to drive environmental awareness and action in the community.

I have been developing two apps toward this end, the first of which is complete:

- *Green Team SF* allows users to create, view, share, and schedule various environmental events in the area like beach clean-ups or bike-to-work days. The goal is to inspire community awareness, engagement, and action, resulting in a cleaner, greener city.
- *Trash to Treasure* (still in development) is inspired by thrift stores and gives users a platform to buy, sell, trade, or give away items they no longer need, with local chapters. The goal is to create a more sustainable and circular economy.

Receiving your scholarship would allow me to put more time, effort, and resources into creating tangible tools for the community, contributing to a healthier city and planet.

I would be honored to speak with you further about the opportunities that lie at the intersection of technology and sustainability, and all the projects I hope to tackle in the future. Thank you so much for your time and consideration.

Sincerely,

Denise Chiu

research covering a wide range of language learning and teaching contexts

An Introduction to Womanist Biblical

Interpretation Nyasha Junior, 2015-01-01 An Introduction to Womanist Biblical Interpretation provides a much needed introduction to womanist approaches to biblical interpretation. It argues that womanist biblical interpretation is not simply a byproduct of feminist biblical interpretation but part of a distinctive tradition of African American women's engagement with biblical texts. While womanist biblical interpretation is relatively new in the development of academic biblical studies, African American women are not newcomers to biblical interpretation. Written in an accessible style, this volume highlights the importance of both the Bible and race in the development of feminism and the emergence of womanism. It provides a history of feminist biblical interpretation and discusses the current state of womanist biblical interpretation as well as critical issues related to its development and future. Although some African American women identify themselves as womanists, the term's usage, its features, and its connection to feminism remain widely misunderstood. This excellent textbook is perfect for helping to introduce readers to the development and applications of womanist biblical interpretation.

The New Nurse Educator

Deborah Dolan Hunt, 2013 Print CourseSmart *How to Prepare for Interviews and Develop your Career* Carol

Forde-Johnston, 2020-04-02 *How to Prepare for Interviews and Develop Your Career* is packed with practical advice and guidance to help nurses and midwives fulfil their career aspirations. The book is ideal for newly and recently qualified nurses and midwives and will also be suitable for students making the transition to NQN. Guidance, key tips, and case examples are organised in seven steps that help provide the key to positive career development: Identify your career options, Drive your own career development, Support others and influence change, Complete a strong application and personal statement, Prepare for interviews by creating an interview plan, Deal positively with challenges, Make your achievements stand out. Carol Forde-Johnston is Recruitment and Retention Lead in a large NHS Trust and has more than 30 years' experience as a Registered Nurse and University Lecturer/Practitioner. She has drawn on all that experience to write an accessible and practical book that addresses the questions and concerns frequently raised by students and healthcare professionals and to help you develop your career as a nurse or midwife.

Twenty-One Genres and How to Write Them

Brock Dethier, 2013-04-15 In this classroom-tested approach to writing, Brock Dethier teaches readers how to analyze and write twenty-one genres that students are likely to encounter in college and beyond. This practical, student-friendly, task-oriented text confidently guides writers through step-by-step processes, reducing the anxiety commonly associated with writing tasks. In the first section, Dethier efficiently presents each genre, providing models, a description of the genre's purpose, context, and discourse, and suggestions for writing activities or moves that writers can use to get words on the page and accomplish their writing tasks. The second section explains these moves over two hundred of them in chapters ranging from Solve Your Process Problems and Discover to Revise and Present. Applicable to any writing task or genre, these moves help students overcome writing blocks and develop a piece of writing from the first glimmers of an idea to its presentation. This approach to managing the

complexity and challenge of writing in college strives to be useful flexible eclectic and brief a valuable resource for students learning to negotiate unfamiliar writing situations An Introduction to the New Testament DAVID A DESILVA,2020-05-21

Professor deSilva s outstanding textbook sets a new standard for the genre The usual topics of New Testament introduction are integrated with instruction in interpretative strategies and application to ministry formation The attractive layout includes numerous maps photographs and text boxes **Webster's New World Letter Writing Handbook** Robert

Bly,2013-02-28 Expert tips and 300 sample letters make business and personal correspondence a snap When trying to close a sale answer a complaint or offer thanks a well crafted letter can make all the difference Packed with practical advice and 300 easy to adapt sample letters this all purpose guide shows readers how to write letters that get results at work and at home Covering the nuts and bolts of letter writing as well as the secrets of high impact prose the book delivers proven recipes for attention grabbing introductions persuasive arguments memorable phrases and closing clinchers Best of all it offers guidance on business and personal letters for every circumstance from job hunting selling fundraising and asking favors to giving a reprimand responding to criticism expressing sympathy and declining gracefully It s the only reference anyone will ever need to write the perfect letter whatever the occasion Writing and Publishing Your Book Melody Herr

Ph.D.,2017-10-12 Are you ready to write your book Partner with an experienced publisher writing coach and author and find out how to turn your research and scholarship into a book This book is the next best thing to a personal writing coach Drawing upon her own extensive experience as an author and publisher Melody Herr guides the reader through every step of the writing and publishing process constructing a table of contents preparing a proposal finding a publisher negotiating a contract drafting the manuscript and marketing the finished product Throughout she offers proven strategies for producing a book that highlights its author s authoritative knowledge and writing skills Unique among writing guides Writing and Publishing Your Book A Guide for Experts in Every Field acknowledges the reader s own expertise speaks to researchers and scholars across the sciences social sciences and humanities and provides information and guidance that will benefit junior authors as well as their more senior colleagues By following these practical step by step instructions new authors will more easily liberate their own creativity while avoiding the many pitfalls that mire new writers thereby maintaining momentum for a successful publication **Encouraging College Students' Democratic Engagement in an Era of Political**

Polarization Angela M. McGowan-Kirsch,2024-12-15 Higher education helps students along a transformative path to citizenship by providing knowledge and experiences that help them become effective and responsible participants in democracy The pedagogies discussed in this book vary in the student populations they target the courses to which they are linked and the nature of the democratic principles to which students are exposed nevertheless the authors maintain a unified commitment to preparing students for a life of democratic citizenship By teaching students citizenship skills including expressing opinions working collaboratively and participating in dialogue and civic reasoning students prepare to discuss

major issues that they face nationally and locally The authors discussions of scholarly and practical knowledge about pedagogical strategies such as dialogic and deliberative pedagogies civility civic education and the social contract position educators to help students learn about democracy through experiences and teach them strategies for engaging in productive disagreement These steps are essential for active democratic engagement beyond the classroom This goal animates Encouraging College Students Democratic Engagement in an Era of Political Polarization Each chapter offers insight into how higher education can infuse modern democracy with diverse voices engaged citizens and a reframing of political talk
