

Discourse community paper

Have you ever been among people who are very much like you? That it does not matter what differences you have you all have a lot more in common. A member of 4-H constitutes a discourse community because of an agreed set of common public goals, level of membership, and something that provides information and feedback. An agreed set Of public goals for our community is that as a whole group we do a lot of community service.

For a couple of years my club would go to a urging home and do different activities with the elderly. Whether it be making them sun catchers to hang in their windows or play board and card games with them. It was very surprising my first year to find out that a lot of the elderly in nursing homes never get visitors. This made me very sad. So my club took a vote and decided to keep going back month after month and building a bond with these amazing people. Loved sitting around talking with them and hearing about all the different stories each of them had to tell.

Another community service my group did was that we went to different parks right as spring began and we would plant beautiful flowers for everyone to enjoy. Something we do that provides information or feedback would be putting on our fair. Not only at a county fair are there rides, carnival games, and carnival food; but also all the hard work each a-Her has put in to the projects they have to complete to be a part of the group. There are so many different projects, from livestock to sewing to cooking to robotics to duct tape art to the shooting sports.

Over the years, I have taken many projects from all areas in our project guide, but my favorite has been the self-determined projects. While having four years left in the program I really wanted to find a project that truly loved and enjoyed doing. All my friends had their favorite and I wanted mine, so me and mom were looking through the project guide and we found a self-determined project on American Sign Language. I was so happy because this was a great interest of mine, and something was looking in to doing for my career.

By taking this project for four years it had helped me aka a final decision on what I wanted to go to college for. I was right, I have a great passion for American Sign Language and learning about the deaf community. The level Of membership in 4-H does not have anything to do with your knowledge or experience. For most people like myself, we got started in 4-H at the age of five being a clobbered. I got to go to the club meetings, participate in them, do activities with older members, and even take a project to the fair if wanted to, but it just did not get judged.

At the age of eight I became a first year 4-Her. I got to take any project(s) I wanted, and gave me a good feeling that I got to pick what I wanted to do. I took a market lamb, sewing for beginners, and cook
