If, for awards not subject to expended authority, recipients must request to carryover unobligated funds from one budget period to the next. When submitting a carryover request, keep the following in mind:

- The carryover request should be completed only after the recipient's finance office has determined the unobligated balance for the applicable budget year.
  - The carryover request must be submitted at least 120 days before the end of the program year in which the funds are being requested.
  - Approved carryover funds must be obligated in the year in which they are awarded.
  - Carryover funds are intended to cover only prospective costs, not costs already incurred by the recipient.
  - Funds support one-time activities. Approval for one-time activities does not constitute automatic approval for funding these activities in the future.

- Overall budget table indicating current funding levels for each budget category (personnel, fringe, travel, etc.) and carryover funds requested for each category.
- Budget request and detailed justification outlining the activities that will be completed using carryover funds, how the activities relate to the existing and approved workplan, and a cost breakdown for each activity (ex. unit cost per item \* number of items needed = total cost).
