Coaching Michael D. Sabock, Ralph J. Sabock, 2011-03-16 *Coaching: A Realistic Perspective* is the ideal textbook for anyone entering the coaching profession of any sport. More than detailing the duties and tasks of a coach, this book explores the often overlooked issues and responsibilities that go hand in hand with coaching relationships among players, parents, and fans; ethical and moral issues and controversies; off-season housekeeping duties and concerns particular to head and assistant coaches; as well as single and married coaches. Similar to its previous edition, the tenth edition includes end-of-chapter questions to help inspire debate and discussion of the issues concerning coaches. This edition has been updated to reflect the influence the Internet has on the coaching profession, especially with recruitment. The changes in academic standards for students are also examined along with the ethical issues that are in the forefront of the news today. The overlapping of sports programs, a major concern of coaches, as well as health issues surrounding athletes today, have been updated and expanded.

Coaching Ralph J. Sabock, Michael D. Sabock, 2008 *Coaching: A Realistic Perspective* is the ideal textbook for anyone who is preparing to coach athletics. All aspects of the profession are addressed in a clear and straightforward manner, presented with advice gained from decades of experience. The expanded and updated ninth edition examines the qualities of successful coaches, presenting tools for self-evaluation, recruiting, off-season planning, player and parent expectations of coaches, potential problem areas, and the balance between a coach's work life and personal and family life, a topic often overlooked in other textbooks.

Pathway to Excellence Dennis M. Docheff, 2011-03 The purpose of this book is to provide athletic coaches with simple methods to enhance their coaching technique. Coaching is teaching. Therefore, coaches must look at their teaching effectiveness in order to become better coaches. In addition, the athletic arena provides a wonderful opportunity for a Christian witness. Often, coaches find it difficult to form a marriage between their coaching and a Christian lifestyle. This book intends to meld the two together, providing clear, effective teacher education and biblical advice to Christian coaches. The book also provides selected scriptures from God's Word. Can a Christian coach really make a difference? How can one Christian coach save the world of sport? Well, first there is more than one Christian coach out there.

Second if there was only one Christian coach willing to go to battle with Christ they would fight and win One coach plus Jesus equals a majority Recall that it appeared as though David didn't stand a chance when he went to fight Goliath David was not alone David knew that God would be with him Was he afraid Maybe but his faith in God was greater than his fear Hopefully this book motivates coaches to allow their faith in Christ to shine through their coaching style and behavior

American Coach Ivan Maisel, 2025-09-16 Award winning sportswriter Ivan Maisel brings the forgotten legend of Notre Dame head football coach Frank Leahy back to life based on rare and complete access to Fighting Irish football historical archives and the Leahy family When Frank Leahy retired from Notre Dame after the 1953 season he had the second best record in the history of the game 107-13-9-864 second only to Knute Rockne his college coach and mentor Seven decades later he still does Rockne created the image of Notre Dame then a small Catholic university in a remote town in northern Indiana as the premier college football program in the nation But it was Leahy who secured that image with six undefeated seasons and four national championships in an 11 season span By achievement alone Leahy should be as beloved as Rockne who nearly a century after his tragic death remains a legend Yet Leahy is virtually forgotten today in many ways a victim of his own insatiable need to compete and win The University of Notre Dame granted Ivan Maisel rare and complete access to its voluminous cache of historical material and Maisel has the cooperation of Leahy's family enabling

him to tell the rich story of an archetypal coach who was a celebrity in his day Leahy made the cover of Time magazine and befriended presidents and movie stars alike Leahy brought innovation to a program reluctant to change anything Rockne had done But Leahy rankled opposing coaches and clashed with the priests at Notre Dame who sought to make the university as elite in academia as it had become on the field These conflicts coupled with the toll that Leahy's innate drive demanded of his health brought his career to a premature end hampering his legacy in the years to come And what a legacy only Nick Saban and Bear Bryant have won more national titles The records of iconic coaches such as Bobby Bowden Woody Hayes and Eddie Robinson pale in comparison Not only the Notre Dame fanbase but all college football fans will be hungry to rediscover a man and an era the story of how Frank Leahy cemented Notre Dame's status as the defining program of college football

What Are You Living For? Pat Williams,Jim Denney,2011-08-31 After speaking on teaching and influencing young people at a student gathering in Texas Pat Williams received an email from a high school coach who had heard his talk Coach McCall s email stated that every kid who s growing up is dying to live his life But as people get older instead of dying to live they start living to die His closing thought is What are you dying for Unable to escape this question Pat invites readers to ask themselves When my days on earth are over will I discover that I have wasted my life on meaningless things that have no lasting and eternal value Most people are living for four things fortune status power or pleasure But there are four far more meaningful and satisfying reasons for living and for dying These give purpose and value to our lives so that we can know our lives have eternal significance If you died tomorrow what would people say Starting with Jesus s statement that whoever wants to save his life will lose it but whoever loses his life for the gospel will save it Pat gives a powerful practical and encouraging plan for how to live a life that truly matters and to leave a legacy that never dies
