Sponsor Request Letter

Dear Business Owner:

Let me take this opportunity to introduce you to the **VISTA DYNAMO Youth Soccer Team**. We are a newly established team from the Centreville area, strongly in support of the development of boys' soccer skills, as well as encouraging positive involvement in society. Our goal is to provide an instructive environment to the kids, as well as fielding a competitive team that enjoys success locally and regionally.

We are offering an opportunity to local businesses like yours to become Team Sponsors. Your contributions will be targeted exclusively to lessen the growing costs of the team, enabling all members to fully participate in Team training programs, VISTA Youth Soccer League games, and local and regional tournaments.

The VISTA DYNAMO Youth Soccer Team is guided by a volunteer team of coaches and dedicated parent volunteers. Our primary revenue source is registration fees paid by families and donations received from generous individuals and businesses. Since these funds do not cover all of the team's operating expenses, our players' families often must raise their own funds to pay for equipment, training fees, travel, and tournament entry fees. **The average cost per player per year to participate in all activities is \$1,000, particularly difficult for families with more than one player and/or modest means.**

In order to continue to make this rewarding experience a reality for our youth, we are reaching out directly to area businesses, family, and friends, **and offering the opportunity to help by becoming a team or club sponsor!** While any sponsorship level you select will be greatly appreciated, a donation of \$300 or more will earn you a Proud Team Sponsor Plaque with a photo of a team to display on your office wall, a valuable marketing tool as well.

Please take a moment to review and select the sponsorship package that best fits your business and budget.

Respectfully yours,

Krist Seuntjens
Team Manager

Some People Want to Shoot Me Madelaine Dickie, Wayne Bergmann, 2024-02-27 I've spent the majority of my life fighting for the rights of Traditional Owners. This has put me in the firing line. But I chose this job. I chose this political path. My family did not. Wayne Bergmann. It's Broome. 2010. Nyikina man. Wayne Bergmann has just received a death threat. His wife has watched a friend cross the road to avoid speaking with her. His children are subject to intense schoolyard bullying. Bergmann, a boilermaker by trade and lawyer, is chief executive of the Kimberley Land Council during the controversial James Price Point gas hub negotiations. It's an event that will tear the Broome community apart. Wayne's story starts on Nyikina country and encompasses backbreaking station work, buried treasure, a Swedish bone thief, and traditional magic love songs. His is an electrifying tale of resilience, determination, and optimism, which shows what it takes to be an Aboriginal person walking in two cultures in a country where racism runs deep.

Who Owns Football? David Hassan, Sean Hamil, 2013-09-13 The commercialization of sport since the 1990s has had a number of consequences The market forces that have defined commercialization notably pay per view television whilst initially welcomed as important new sources of revenue have also had the unanticipated consequences of destabilizing many sporting competitions and institutions undermining the financial future of clubs in their traditional role as key social and

cultural institutions This has been manifested in the paradox of chronic financial loss making amongst professional sports clubs in an era of exponential revenue growth a trend exemplified by the experience of Italy's Series A and the English Premier League both cases examined in detail in this book But at the same time some traditional sporting organizations have sought with some success to chart a middle way retaining traditional sporting movement objectives whilst also embracing a form of commercialism The Gaelic Athletic Association in Ireland the supporter owned FC Barcelona football club and New Zealand rugby union offer illustrative examples of such strategies examined in detail This book explores the background to this clash of commercial and traditional sporting objectives and debates the consequences for wider sports governance This book was published as a special issue of Soccer and Society
