 Anthea Maton, Prentice-Hall, Inc, 1997 **Earth Science** ,2001 **The Well-Trained Mind** Susan Wise Bauer, Jessie
 Wise, 2016-08-09 Is your child getting lost in the system becoming bored losing his or her natural eagerness to learn If so it
 may be time to take charge of your child s education by doing it yourself The Well Trained Mind will instruct you step by step
 on how to give your child an academically rigorous comprehensive education from preschool through high school one that
 will train him or her to read to think to understand to be well rounded and curious about learning Veteran home educators
 Susan Wise Bauer and Jessie Wise outline the classical pattern of education called the trivium which organizes learning
 around the maturing capacity of the child s mind and comprises three stages the elementary school grammar stage when the
 building blocks of information are absorbed through memorization and rules the middle school logic stage in which the
 student begins to think more analytically and the high school rhetoric stage where the student learns to write and speak with
 force and originality Using this theory as your model you ll be able to instruct your child whether full time or as a supplement
 to classroom education in all levels of reading writing history geography mathematics science foreign languages rhetoric
 logic art and music regardless of your own aptitude in those subjects Thousands of parents and teachers have already used
 the detailed book lists and methods described in The Well Trained Mind to create a truly superior education for the children
 in their care This extensively revised fourth edition contains completely updated curricula and book lists links to an entirely
 new set of online resources new material on teaching children with learning challenges cutting edge math and sciences
 recommendations answers to common questions about home education and advice on practical matters such as standardized
 testing working with your local school board designing a high school program preparing transcripts and applying to colleges
 You do have control over what and how your child learns The Well Trained Mind will give you the tools you ll need to teach
 your child with confidence and success Prentice Hall Scientific Learning System Prentice-Hall Staff, 1994 Reading in
