Dear Mr Shyster,

Katie Souless has worked as a secretary within my chambers since the summer of 2014. I initially took her on for a six-month trial period after she graduated with honors from Generica University in Pensylvannia. In the six years since, Katie has shown a natural thirst for knowledge, never missed a day of work and demonstrated a phenomenal legal mind.

On a personal level, she is extremely easy to get along with, always eager to go above and beyond her pay grade and highly motivated to succeed. There are few tasks she cannot turn her hand to, and those she can't, she'll have a good go at, anyway.

Katie is relocating to the east coast at the beginning of next year due to family circumstances and the desire to seek pastures new.

To say she will be missed here would be a great understatement. We'll miss her energy, her mind and her inspirational work ethic. However, the world keeps turning and our loss may well become your gain?

I would highly recommend Katie for a position within your firm. She is always keen to learn and would make a wonderful protege for a legal veteran such as yourself.

Sincerely,

# Sample Letter Of Recommendation For Crna School
