**Smart Kids, Bad Schools** Brian Crosby, 2025-09-23 In Smart Kids Bad Schools award winning author and educator Brian Crosby draws on his twenty years as a high school English teacher to offer a candid appraisal of why our schools are failing and what we must do to save them Crosby s no holds barred critique of the broken education system leaves no stone unturned he is unapologetic and uncompromising in his expos of how teachers administrators unions and parents all play a part in this national tragedy Crosby offers 38 ideas to save America s future and

his proposed remedies are revolutionary He recommends bold measures such as lengthening the school day and school year forcing parents to volunteer at schools abolishing homework outlawing teachers unions and cutting special education funding The result is a book that is likely to inflame passions on all sides of the political spectrum and in the process introduce new ideas to a debate that is in dire need of them **It's Time for Strategic Scheduling** Nathan Levenson,David

James,2023-07-03 An accessible guide to creating schedules that amplify school and district priorities support best practices in teaching and learning heighten student engagement and enhance equity A school s schedule can be as important to education outcomes as its budget or strategic plan The secret to making the schedule a tool for school improvement is to approach schedule design not as a technical task centered on making everything fit like Tetris blocks but as a strategic one In this book informed by research and their work with hundreds of schools scheduling experts Nathan Levenson and David James explore how strategic scheduling can turn a good enough schedule into one that supercharges learning and engagement without additional costs or more FTEs If you are ready to Figure out which schedule type is best for your students and staff Disrupt harmful tracking and ensure every student has access to highly skilled teachers and rigorous curriculum Deliver optimum hours of core instruction while expanding electives and providing opportunities for student voice and choice Precisely match staffing to course enrollment to free up personnel and funds for other purposes Find time for critical intervention and enrichment blocks and Communicate scheduling decisions more effectively to parents families and district leaders then it s time for strategic scheduling Offering targeted advice for best practice scheduling at the elementary middle and high school levels this book will help school and district leaders and the teachers and students they serve make the most of every school day and every school year **Public School Equity** Manya Whitaker,2023-09-01 Equality is not

equity tolerance is not inclusion and access is not opportunity Efforts to address inequities within our schools tend to ignore the underlying beliefs that sustain injustices and focus instead on short lived policies and practices This book takes a different approach to eradicating educational disparities Drawing on more than forty interviews with teachers principals and district leaders Manya C Whitaker offers educators guidance for leading a school or district grounded in social justice that centers teachers not just teaching practices and that focuses on the belief systems that shape decision making The chapters walk educational leaders through a strategic approach to long term change from school planning for family and community engagement to hiring and onboarding teachers to sustaining equity through multifaceted professional development and equitable evaluation Concrete how to s are provided throughout along with reflection questions to help readers apply the content to their context For any school or district leader intent on addressing the many inequities highlighted by the COVID 19 pandemic this book is an essential manual **An Investigation of Block Scheduling in High School String**
