There is coverage too of what constitutes plagiarism and how to avoid it.

[A Student's Guide to Academic and Professional Writing in Education](#) Katie O. Arosteguy, Alison Bright, Brenda J. Rinard, 2019-06-07. This concise handbook helps educators write for the rhetorical situations they will face as students of education and as preservice and practicing teachers. It provides clear and helpful advice for responding to the varying contexts, audiences, and purposes that arise in four written categories in education: classroom research, credential and stakeholder writing. The book moves from academic to professional writing, and chapters include a discussion of relevant genres, mentor texts with salient features identified, visual aids, and exercises that ask students to apply their understanding of the concepts. Readers learn about the scholarly and qualitative research processes prevalent in the field of education and are encouraged to use writing to facilitate change that improves teaching and learning.
