Chase,2016-10-31 Apocalypse The Great Day of the Lord

for the Righteous is a positive look at the positive events of the Apocalypse Just saying the word brings to mind the idea of mass destruction Many think of a fiery end to life on earth or of zombies shuffling ominously through the streets Focusing on the negative makes it an unpleasant subject Contrary to these ideas this book on the Apocalypse focuses on the great blessings that the righteous will receive when the Lord comes a great and glorious day with no fear of the destruction that will simultaneously come down upon the heads of the wicked For the wicked it will indeed be a dreadful day and they will call

upon the mountains and rocks to hide them when the full fury of the Lord's anger is poured out upon them see Revelation 6:16 For the righteous it will be a day of unimaginable joy a day of resurrection of peace of safety and of living under the rule of our Eternal King the Lord Jesus Christ If we remember this we can more fully appreciate the great day aspect of the Second Coming of Christ as opposed to a fearful approach That is the purpose of this book so that we along with the Apostle John on the Isle of Patmos will feel to say Even so come Lord Jesus Revelation 22:20 The cover features a stunning image of the Lord descending through the clouds of glory as painted by Del Parson

Communication in Mission Marcus Dean, Scott Moreau, Sue Russell, Rochelle Scheuermann, 2022-10-07 Communicating the Gospel To All People By All Means Communication has always been the heartbeat of God's interaction with humankind and without thoughtful communication mission is not fully effective With the rise of technology and social media the church faces a unique set of opportunities At the same time our shrinking world presents challenges and requires an increased sensitivity to social cultural and geopolitical triggers With case studies that span the globe from Australia and Asia to the Black church and Muslim youth diaspora in the United States this book closely considers what is working in the twenty first century and what isn't From post colonial contexts to creative access countries this collection doesn't shy away from today's complex issues Communication in Mission pulls together diverse voices some seem like shouts and others like gentle whispers but each has an important contribution for all who will listen and learn This synthesis of personal experiences from field practitioners and theoretical concepts from scholars lays a foundation for application calling for careful and intentional communication in the ongoing work of missions Full of hope this book looks forward to the gospel being received as Good News around the globe
