## **Nfasas Applications 2015:**

**Social Justice and Education in the 21st Century** Willie Pearson Jr., Vijay Reddy, 2021-04-10 The world is not an equal place There are high and low income countries and high and low income households For each group there are differential educational opportunities leading to differential educational outcomes and differential labor market opportunities This pattern often reproduces the privileges and inequalities of groups in a society This book explores this differentiation in education from a social justice lens Comparing the United States and South Africa this book analyzes each country s developmental thinking on education from human capital and human rights approaches in both primary and higher education The enclosed contributions draw from different disciplines including legal studies sociology psychology computer science and public policy

**Accessing Post-School Studies** Venicia McGhie & Madge du Preez, 2017-12-01 Accessing Post School Studies A student s GPS to successful learning makes a valuable contribution to often problematic and pertinent South African higher education issues such as student access and success student learning student support and student engagement In this regard the authors draw on the works of higher education theorists such as Kuh Tinto Marton and S l j The book is primarily a helpful resource for South African learners in school students at universities life orientation teachers as well as parents of prospective university students It will especially assist students to adapt to the university environment Prof Victor N Teise Sol Plaatje University Kimberley South Africa

**Higher Education Pathways** Ashwin, Paul, Case, Jennifer M., 2018-12-14 In what ways does access to undergraduate education have a transformative impact on people and societies What conditions are required for this impact to occur What are the pathways from an undergraduate education to the public good including inclusive economic development These questions have particular resonance in the South African higher education context which is attempting to tackle the challenges of widening access and improving completion rates in a system in which the segregations of the apartheid years are still apparent Higher education is recognised in core legislation as having a distinctive and crucial role in building post apartheid society Undergraduate education is seen as central to addressing skills shortages in South Africa It is also seen to yield significant social returns including a consistent positive impact on societal institutions and the development of a range of capabilities that have public as well as private benefits This book offers comprehensive contemporary evidence that allows for a fresh engagement with these pressing issues

**Global Development of the Community College Model** Carmen L. McCrink, Heidi Whitford, Natasha C. Stubbs, 2017-03-13 While the community college is a longstanding institutional type within the U S the success of this model has recently garnered international attention As countries outside the U S grapple with issues regarding access and affordability of higher education opportunity the concept of the community college has gained traction This issue explores The global expansion and development of the community college model in various countries and regions around the world Insights into the establishment and sustainability of these institutions in other countries through research and analysis and

Case studies that focus on the development and implementation process of community colleges amid various social political and economic contexts This is the 177th volume of this Jossey Bass quarterly report series Essential to the professional libraries of presidents vice presidents deans and other leaders in today s open door institutions New Directions for Community Colleges provides expert guidance in meeting the challenges of their distinctive and expanding educational mission *Annual Report ... South Africa. Department of Higher Education and Training,2016* Academic Quality and Integrity in the New Higher Education Digital Environment Upasana Gitanjali Singh,Chenicheri Sid Nair,Rashmi Watson,2023-06-13 Academic Quality and Integrity in the New Higher Education Digital Environment A Global Perspective provides discussions on the work of three editors who have significant experience in the quality assurance of teaching and learning and have been developing approaches during the recent COVID 19 pandemic Discussions on learning and teaching during the pandemic were concentrated on how academic institutions ensure quality of courses and that academic integrity is maintained in all assessments in a digital environment thus ensuring what is being delivered meets global standards and professional bodies have confidence in programs delivered by the higher education sector The area of quality assurance and academic integrity is thus critical in this new digital environment where significant educational programs will be delivered Provides updates on what university administrators are doing to face challenges on how to maintain the quality of their programs during digital learning Addresses concerns on the quality of their programs and academic integrity is maintained at all times Proposes new practices and innovative approaches to bring to the attention of stakeholders in a central depository so that there can be informed approaches in institutions and in the set up of regulatory practices

**Transforming Transformation in Research and Teaching at South African Universities** Rob Pattman,Ronelle Carolissen,2018-12-21 What is transformation in contemporary South African higher education How can it be facilitated through research and pedagogic practices These questions are addressed in this edited collection by established academics and emerging research students from nine South African universities The chapters give us access to students worlds how they construct experience and navigate their complex spheres on and off campus By engaging with students as knowledge producers we transform popular ways of thinking about race gender class sexuality disability and age as singular and natural markers of difference and diversity Rather than taking diversity as fixed and rooted in nature we explore how diversity is imagined and lived in particular contexts on and off campus **Low-Income Students, Human Development and Higher Education in South Africa** Melanie Walker,Monica McLean,2022-07-15 This book explores learning outcomes for low income rural and township youth at five South African universities The book is framed as a contribution to southern and Africa centred scholarship adapting Amartya Sen s capability approach and a framework of key concepts capabilities functionings context conversion factors poverty and agency to investigate opportunities and obstacles to achieved student outcomes This approach allows a reimagining of inclusive learning outcomes to encompass the multi dimensional value of a

university education and a plurality of valued cognitive and non cognitive outcomes for students from low income backgrounds whose experiences are strongly shaped by hardship Based on capability theorising and student voices the book proposes for policy and practice a set of contextual higher education capability domains and corresponding functionings orientated to more justice and more equality for each person to have the opportunities to be and to do what they have reason to value The book concludes that sufficient material resources are necessary to get into university and flourish while there the benefits of a university education should be rich and multi dimensional so that they can result in functionings in all areas of life as well as work and future study the inequalities and exclusion of the labour market and pathways to further study must be addressed by wider economic and social policies for inclusive learning outcomes to be meaningful and that universities ought to be doing more to enable black working class students to participate and succeed Low Income Students Human Development and Higher Education in South Africa makes an original contribution to capabilitarian scholarship conceptually in theorising a South based multi dimensional student well being higher education matrix and a rich reconceptualisation of learning outcomes as well as empirically by conducting rigorous longitudinal in depth mixed methods research on students lives and experiences in higher education in South Africa The audience for the book includes higher education researchers international capabilitarian scholars practitioners and policy makers **Finding a moral compass**

**for South Africa** JM Vorster,2023-07-31 The research question of this book reads Can South Africans amidst all the contemporary distrust in political leadership and moral decay find a moral compass that could lead them to a humane society of mutual trust respect for each other a flourishing life and a bright future for future generations This book presents new perspectives on the psychopathology created by colonisation the failures of the post 1994 dispensation regarding reconciliation transformation justice distorted family life violence unity in diversity as well as moral leadership and agency and indifference to a future of hope It proposes a new moral compass that can lead South Africa out of the abyss

**Shaping the World of Change** ,2024-06-03 This book sets out the theme of a world that is changing rapidly and higher education being an important agent in shaping that change through knowledge generation transfer and innovation The chapters in this book focus on this shaping role of higher education along a number of key areas governance sustainability teaching and learning student agency quality and internationalization From these different topics this volume presents ways in which higher education helps dealing with and shaping the educational and societal changes that we are facing in the aftermath of the pandemic and challenges that we are expecting in the near future Contributors are Victor M H Borden Bruno Broucker Edel Cassar B rbara Coelho Gabriel Cindy Cogswell Julia Draghi Brigitte Ecker P nar Eldemir Klaus Feldmann Cl udia Figueiredo Anne Gannon Jussi Kivist Manja Klemen i Theodor Leiber Nandarani Maistry Sara Moreno Pires Takalani Muloiwa Klenam Darlington Mutakwa Erna Nairz Wirth Ruaidhri Neavyn Jessica Nooij Mark O Hara Beate Pawle Alexandra Polido Maria P schl Silke Preymann Verena R gent Lotte Scheeren Kateryna Suprun Robertt Valente Floris J N van
