Contemporary Legend

Gillian Bennett, Paul Smith, 2013-09-05 First published in 1996 For most of the time since the Grimm brothers first contrasted the fairy tale Märchen and the legend Sage the former has enjoyed the greater reputation among folklorists Only in recent years and with the work of such scholars as Gillian Bennett and Paul Smith has it been recognized that both as art and as news the legend is now central to contemporary culture in a way that the Märchen no longer is The present book is the first collection of essays on legend to appear in English since 1971 Nevertheless its publication consolidates a gradual shift which has taken place over the last two decades in which English language scholarship has taken the lead in the study of certain kinds of legends variously dubbed modern horror legends urban legends urban myths or here contemporary legends
