The Fortnightly Review , 1872 Nobody's Home Arnold Weinstein, 1993-03-11 Nobody s Home is a bold view of the American novel from its beginnings to the contemporary scene Focusing on some of the deepest instincts of American life and culture individual liberty freedom of speech constructing a life Arnold Weinstein brilliantly sketches the remarkable career of the American self in some of the major works of the past one hundred fifty years Weinstein contends that American writers are haunted by the twin specters of the self as a mirage as Nobody and by the brutal forces of culture and ideology that deny selfhood to people on the basis of money sex and color of skin His central thesis is that language makes possible freedoms and accomplishments that are achievable in no other realm and that American fiction is a fascinating record of the human fight against coercion of the kinds of maneuvering room that we may find in life and in art This study is unique in several respects it offers some of the keenest readings of major American texts that have ever been written including some of the most significant works of the past decades and it fashions a rich and supple view of the American novel as a writerly form of freedom in sharp contrast to today s critical emphasis on blindness and co option *Behind Ghetto Walls* Michael Novak, 2017-09-08 This book is about the family lives of some 10 000 children and adults who live in an all Negro public housing project in St Louis The Pruitt Igoe project is only one of the many environments in which urban Negro Americans lived in the 1960s but the character of the family life there shares much with the family life of lower class Negroes as it has been described by other investigators in other cities and at other times in Harlem Chicago New Orleans or Washington D C This book is primarily concerned with private life as it is lived from day to day in a federally built and supported slum The questions which are treated here have to do with the kinds of interpersonal relationships that develop in nuclear families the socialization processes that operate in families as children grow up in a slum environment the informal relationships of children and adolescents and adults with each other and finally the world views the existential framework arising from the life experiences of the Pruitt Igoeans and the ways they make use of this framework to order their experiences and make sense out of them The lives of these persons are examined in terms of life cycles Each child there is born into a constricted

world the world of lower class Negro existence and as he grows he is shaped and directed by that existence through the day to day experiences and relationships available to him The crucial transition from child of a family to progenitor of a new family begins in adolescence and for this reason the book pays particular attention to how each new generation of parents expresses the cultural and social structural forces that formed it and continue to constrain its behavior This book in short is about intimate personal life in a particular ghetto setting It does not analyze the larger institutional social structural and ideological forces that provide the social economic and political context in which lower class Negro life is lived These larger macro sociological forces are treated in another volume based on research in the Pruitt Igoe community However this book does draw on the large body of literature on the structural position of Negroes in American society as background for its analysis of Pruitt Igoe private life

Artifactual Elizabeth Anne Davis,2023-07-14

In *Artifactual* Elizabeth Anne Davis explores how Cypriot researchers scientists activists and artists process and reckon with civil and state violence that led to the enduring division of the island using forensic and documentary materials to retell and recontextualize conflicts between and within the Greek Cypriot and Turkish Cypriot communities Davis follows forensic archaeologists and anthropologists who attempt to locate identify and return to relatives the remains of Cypriots killed in those conflicts She turns to filmmakers who use archival photographs and footage to come to terms with political violence and its legacies In both forensic science and documentary filmmaking the dynamics of secrecy and revelation shape how material remains such as bones and archival images are given meaning Throughout Davis demonstrates how Cypriots navigate the tension between an ethics of knowledge which valorizes truth as a prerequisite for recovery and reconciliation and the politics of knowledge which renders evidence as irremediably partial and perpetually falsifiable

Nobody's Child Anne Baker,2012-05-24

A young woman s search for her roots has dramatic consequences Anne Baker writes an engrossing saga in *Nobody s Child* a tale of family love and finding a place to call home Perfect for fans of Cathy Sharp and Lyn Andrews When Dorothy Mortimer finds herself pregnant she is sent away to family friends the Benders to have the child Dorothy wants nothing to do with her

daughter Lizzie so the Benders arrange for the child to be brought up by the O Malley s a feckless family living on the estate Lizzie is unaware of her parentage but her brother Joey is suspicious of the attention she receives from the Benders Eventually he takes Lizzie to Merseyside to claim what is rightfully hers But Joey s obsession to provide Lizzie with the riches she deserves leads to the destruction of their love and Lizzie finds herself drawn to the family she has never known What readers are saying about Nobody s Child A rags to riches story but with a good underlying tale of spite and greed A little bit of everything and a gritty ending I couldn t put it down A really good read a bit like a mini series on TV I especially liked the way it kept me guessing until the very end

Dawnlands Philippa Gregory,2022-11-15 From Philippa Gregory the 1 bestselling author of Tidelands and Dark Tides The spellbinding Fairmile series continues as the fiercely independent Alinor and her family find themselves entangled in palace intrigue political upheaval and life changing secrets in seventeenth century England It is 1685 and England is on the brink of a renewed civil war King Charles II has died without an heir and his brother James is to take the throne But the people are bitterly divided and many do not welcome the new king or his young queen Ned Ferryman cannot persuade his sister Alinor that he is right to return from America with his Pokanoket servant Rowan to join the rebel army Instead Alinor and her daughter Alys have been coaxed by the manipulative Livia to save the queen from the coming siege The rewards are life changing the family could return to their beloved Tidelands and Alinor could rule where she was once lower than a servant Alinor s son is determined to stay clear of the war but in order to keep his own secrets in the past Livia traps him in a plan to create an imposter Prince of Wales a surrogate baby to the queen From the last battle in the desolate Somerset Levels to the hidden caves on the slave island of Barbados this third volume of an epic story follows a family from one end of the empire to another to find a new dawn in a world which is opening up before them with greater rewards and dangers than ever before A compelling and powerful story of political intrigue and personal ambition set between the palaces of London the tidelands of Foulmire and the shores of Barbados Praise for Dawnlands This sprawling epic addition to the series will delight Gregory s many fans The Times Fast paced gripping and meticulously researched the latest novel from Philippa Gregory is historical fiction at its best Daily Express Spellbinding Woman s Own I love falling into a Philippa Gregory novel her vibrant take on historical events always brings past eras alive Platinum
