Preston,2004-01-23 Many of the most powerful trends in baseball today have their roots in the 1970s Baseball entered that decade seriously behind the times in race relations attitudes toward conformity versus individuality and the manager player relationship In a sense much of the wrenching change that American society as a whole experienced in the 1960s was played out in baseball in the following decade Additionally the game itself was rapidly evolving with the inauguration of the designated hitter rule in the American League the evolution of the closer the development of the five man starting rotation the acceptance of strikeout lions like Dave Kingman and Bobby Bonds and the proliferation of stolen bases This book opens with a discussion of the challenges that faced baseball s movers and shakers when they gathered in Bal Harbour Florida for the annual winter meetings on December 2 1969 Their worst nightmares would be realized in the coming years For many and often contradictory reasons the 1970s game evolved into a war of competing ideologies escalating salaries an acrimonious strike Sesame Street style team mascots and the breaking of the time honored tradition that all players including the pitcher must play on offense as well as defense that would ultimately spell doom for the majority of attendees Work ,1900 *Ohio Practical Farmer* ,1893 *Management Effectiveness* Robert N.
