Notification On My Asha :

Asha - I only desired what my friends had Pierpaolo Maiorano,2024-03-30 A novel that deals with an extremely sensitive and topical issue Teen prostitution coercive or voluntary It talks almost exclusively about the coercive form of the phenomenon rightly so since it is the dramatic part and involves very young unwitting victims and must be opposed with all our might However we must not forget that there is also the voluntary aspect A phenomenon that is much more widespread than we think among today s teenagers who in order to get recharges latest generation cell phones rather than a designer dress or money choose to sell their bodies consciously And not always as in the case of the protagonist driven by the family s precarious economic conditions This is also to be countered upstream In the book the two aspects intersect proceeding in parallel developing a dense seamless compelling plot Asha is the third child of an Albanian immigrant family in Italy for 20 years Decent honest hard working people well integrated into the social fabric but barely making ends meet Seeing her friends dress well have beautiful homes and everything they desire while she is forced to wear shabby clothes and live in a dilapidated house makes her feel envious Drawn by a friend blinded by the prospect of having what her parents cannot give her she runs away and decides to sell her body to get them This choice however while allowing her to fulfill all her desires soon makes her regret not being able to have a life as a normal teenager cultivating friendships laughing joking falling in love Sold to a criminal organization segregated and forced to their will she escapes several times but is always found Discovering that she is pregnant unable to find the little boy with whom she conceived him she attempts to make a middle aged man whom she met during one of her escapes believe that he is the child s father Having failed in this attempt as well tired of running away with those criminals who give her no respite she decides to end it all The discovery of her suicide note which she leaves on a coffee shop table kicks off the story SOT.COM Wille Kuutti,2018-07-04 In September 2017 someone tried to steal a valuable internet domain name SOT COM This is a real story about what happened and how to control of the domain was returned to it s rightful owner You will also get some advice how to prevent domain theft and what to do in an unfortunate event of a domain theft There is no ebook available to protect your interests in an unfortunate event when you most need this book you possibly may not have access to your ebooks **The Epic of Aravinda: Trilogy Box Set** Andrew M. Crusoe,2020-06-11 Get the entire trilogy in one ebook Includes EXCLUSIVE concept art of 4 main characters you can t get anywhere else Twelve years after his mother s disappearance Zahn s life is shattered by a discovery that will change everything Camping out on the island summit Zahn is jolted awake by a brilliant object thundering down from the sky Racing down to the impact he discovers a crater in the silvery sand and inside it a triangular fragment made of an otherworldly material moonlight sliding off of it at strange angles Conflicted and curious Zahn decides to keep his discovery a secret Taking it to the observatory means losing it forever and with it any chance of uncovering the truth For days he wrestles with the choice hiding the fragment in his room and waiting for something anything to make sense Then in the dead of night a

knock at his window changes everything A man dressed in a shimmering uniform is just outside revealing that Zahn's find is no mere fragment it's connected to a galactic conflict of unimaginable scale Thrust into an interstellar adventure aboard a sentient starship with a cryptic captain Zahn discovers a universe far more dangerous and wondrous than he ever dreamed The Vakragha an ancient species that devours entire stars are closing in on his homeworld Their only weakness The Tulari a mythical stone that can heal the wounds they cut into space Then Zahn uncovers a shocking truth his mother's disappearance is linked to the same enemy now threatening to destroy everything he loves For fans of Star Wars Ender's Game and other epic adventures THE TRUTH BEYOND THE SKY offers heart pounding action mind bending twists and a galaxy spanning journey that will leave readers breathless Followed by The Island on the Edge of Forever When Asha accepts a mission to recover a sacred stone capable of raising the dead she doesn't expect her ship to be shot down above an unpredictable world To their shock Asha and her commander Mira are dragged into the planet's wild ocean and Asha barely manages to escape a vast underwater complex Once she reaches the surface she discovers a mysterious island that comes to life with dancing villagers and roaring bonfires every night only to vanish without a trace each morning leaving her feeling alone and confused Meanwhile Zahn has taken Oonak's ship on a mission to a labyrinth where Vayuna says he will be needed learning more about the Vakragha than he ever could have imagined Yet there are greater struggles ahead for both of them Having followed Asha the vicious Vakragha are desperate to find the stone first bent on using it to revive their greatest mastermind Time is running out and Asha must rely on her courage and intuition to have any hope of survival But she discovers that the Vakragha aren't the only ones searching desperately for the sacred stone Followed by The Mirage on the Brink of Oblivion What if you could hold a memory in the palm of your hand What if you could trade memories like souvenirs Or create structures that defy the imagination In the Mirage you can And after centuries even the memory of the devastating Vakragha attack on their world has all but been forgotten and most have lost touch with the physical world Yet Jyana is different Driven by her desire to understand the natural world she dedicates herself to studying the sea below the city When she finds that the coral reef is being destroyed no one will take her seriously not even Torin whom she loves more than anyone After all the Mirage's growth demands a regular supply of ambrosia but the shortages are getting worse In the midst of this confusion everyone is shocked when a refugee from before the attack returns Asha has come with a secret mission which could destabilize the entire planet causing the end of the Mirage itself

The Mirage on the Brink of Oblivion Andrew M. Crusoe, 2016-07-20 What if you could hold a memory in the palm of your hand What if you could trade memories like souvenirs Or create structures that defy the imagination In the Mirage you can Centuries after the cataclysmic Vakragha attack Mirage City floats above a forgotten world Most have lost touch with the physical world altogether except Jyana She's obsessed with the sea beneath the city But when she discovers something is destroying the coral reef no one listens Not even Torin the one she loves who is more focused on keeping Mirage afloat The colossal structures of the Mirage demand a

regular supply of ambrosia but the shortages are spiraling out of control In the midst of this confusion everyone is shocked when a refugee from before the attack returns Filled with questions Asha has come on a secret mission which could destabilize the entire planet causing the end of the Mirage itself The triumphant 3rd installment of the Epic of Aravinda series The Mirage on the Brink of Oblivion is a mind bending out of body Sci Fi adventure about love memory and the price of progress What Reviewers Say How many novels involve etheric combat outside the physical body It s not spoiling the plot to say that a good portion of this book takes place beyond the physical plane Crusoe takes world building to a new level here and the result is something to behold The third book in the Aravinda series has all the elements of the first and second but amplified in intensity and inventiveness If you enjoyed the first two expect that trajectory to continue arcing upwards here Highly recommended Tom Minderle Author of Fringe Knowledge for Beginners Half way through my read I was so intrigued I got a copy of the first book The Truth Beyond the Sky and read that it was great also Although my ability to follow the story was unchanged my appreciation was deepened I am reminded of the epic space operas such as EE Doc Smith s Lensman series this has a breadth and scope that is similarly grand and equally epic But it has its own sense and texture Strongly recommended whether you are into space opera general science fiction or fantasy this book this series delivers Kevin G Rhoads MIT If you ve read the previous books you ll know what to expect from the often comical and budding relationship between Zahn and Asha and their rush to save the Galaxy before the Vakragha enslave it This installment does a good job at wrapping up the storyline and leaving possibilities open for other stories within the Aravinda galaxy Kudos to the author for tying in the works of Dr Monroe and his work on the invisible landscape We could all use a dose of Andrew Crusoe s positive perspective in these challenging times and The Mirage on the Brink of Oblivion is a well crafted story for both young and old
