Nova And Quinton No Regrets:

Nova and Quinton Jessica Sorensen, 2015-04-02 THE NUMBER ONE NEW YORK TIMES BESTSELLING AUTHOR Today is the first day of Quinton Carter's new life. The toxic guilt of his past left him in pieces but one girl unexpectedly put him back together. Thanks to Nova Reed, Quinton can finally see the world with clear eyes. She's the reason his heart is still kicking behind the jagged scar on his chest. And he would love to have her in his arms every minute of the day but he's not ready yet. Playing drums in a band and living with her best friends are just some of the highlights of Nova's life. But the best new development? Talking to Quinton on the phone each night. She wishes she could touch him, kiss him, though she knows he needs time to heal. Yet shocking news is on the way, a reminder of life's dark side, and Nova will need Quinton like he once needed her. Is he strong enough to take the final leap out of his broken past and into Nova's heart? Discover the latest intense, passionate, and page-turning novel from number one New York Times bestselling sensation Jessica Sorensen. **Nova & Quinton 03. No Regrets** Jessica Sorensen, 2014-12-08 Breaking Nova Jessica Sorensen, 2013-09-03 From the #1 New York Times bestselling author of the Ella and Micha series comes a powerful story of love, healing, and impossible choices. BREAKING NOVA: Nova Reed used to have dreams of becoming a famous drummer, of marrying her true love. But all of that was taken away in an instant. Now she's getting by as best she can, though sometimes that means doing things the old Nova would never do. Things that are slowly eating away at her spirit. Every day blends into the next until she meets Quinton Carter. His intense, honey-brown eyes instantly draw her in, and he looks just about as broken as she feels inside. Quinton once got a second chance at life, but he doesn't want it. The tattoos on his arm are a constant reminder of what he's done, what he's lost. He's sworn to never allow happiness into his life, but then beautiful, sweet Nova makes him smile. He knows he's too damaged to get close to her, yet she's the only one who can make him feel alive again. Quinton will have to decide: does he deserve to start over? Or should he pay for his past forever? Breathing Undead Lies Jessica Sorensen, Late one night I died on Hallows Hill. And then I came back from the dead. I'm not sure how it happened. All I know is that I'm not the same person as I was before I died. I've started seeing things that shouldn't be real, and I feel this strange pull toward Kingsley, a guy I used to think was dangerous, but now I'm not so sure he is. And I'm pretty sure the people closest to me are lying about something. I'm also pretty sure my death wasn't an accident. I need to figure out what happened to me before I end up dead again. The Opposite of Ordinary Jessica Sorensen, In one day I went from being Ashlynn Wynterland, one of the most popular girls in school, to being the girl who spends lunchtime hiding out in a classroom and watching Maxon Harter and his science-obsessed friends mess around with experiments. All because Queeny Harlington thinks I made out with her crush. Queeny Harlington is the queen of Fareland High. And up until a day ago, she was my best friend. Now she's my worst enemy, who's threatening to tell the entire school all of my dirty little secrets. Being a friendless social outcast has its downsides. So when Maxon invites me to hang out with him and his friends, I accept his offer, even though they all seem to despise me. Which is

fine Sort of The truth is I've always thought Maxon is cute in a weirdly unordinary way And the more I get to know Maxon the more I find myself liking him But when Queeny decides to tell everyone my darkest secret of all my new friendship doesn't look as if it's going to survive As my heart breaks I make a choice that ends up shattering my world In that dark moment I discover that Fareland is a town with secrets and that nothing is what it appears to be A dark secret society romance that follows Ashlynn and Maxon from high school to adulthood **Wreck Me** Jessica Sorensen, 2015-04-15 I'd heard stories of near death experiences although the tales never seemed to be the same Me I saw many things My son Myself My sins The stars And I also felt The feeling wasn't about me but about another as if someone was calling out to me begging me to come back That they needed my help Then the stars burned out And I thought I had died But I was wrong When Avery Hensley met Conner Wellings she thought she'd found the guy she was going to spend the rest of her life with She got married young and had the most beautiful son in the world Life seemed perfect But not everything is what it seems Turned out Conner had another side to him a darker side that Avery didn't see coming He wrecked and broke her into a thousand pieces leaving Avery to put herself back together From then on Avery vows never to let a man into her life again But then she meets Tristan Morganson He's sweet and sexy and wrecks Avery in a different way than Conner did the kind of way that makes her feel alive again the kind of way that makes her think maybe not all guys are bad But can Avery trust him enough to let her walls come crumbling down Enchanted Chaos Jessica Sorensen, 2019-07-15 Skylin has always lived a fairly normal life Well except for the fact that whenever her emotions run high strange things occur like fires starting out of nowhere or the ground freezing over But the worst part is that a kiss from her will knock a person unconscious Still her life hasn't been too terrible until the day her parents vanish into thin air and she's shipped off to live with her father's friend and his six sons Skylin isn't sure if she can survive the chaos that is the Everetts family But she doesn't have a choice unless her parents are found so she tries to make the best of the situation and befriend the Everetts even though not all of them are fans of her especially Foster a guy she once had a crush on until he opened his mouth But it turns out that the Everetts aren't your typical family and Skylin soon realizes she's not the only person in the world with strange abilities And in order to survive the dangerous magical world she's thrown into full of magic and powerful gods and goddesses she'll have to put her trust in not only the Everetts but Foster as well This is a full length coming of age romantasy fated mates romance novel and Sky and Foster's story will wrap up in book 2 Shimmering Chaos which is now available Ruin Me Jessica Sorensen, 2015-04-20 A part time student CNA and caretaker for her slightly deranged mother Clara McKinney doesn't have time for a relationship That's why her friends with benefits arrangement with sexy and ridiculously charming Jax Hensley works perfectly But Jax has other ideas The moment Jax met Clara he was instantly drawn to her wittiness confidence and gorgeous smile Even though he agreed to the friends with benefits arrangement he secretly hopes for more than their weekend hook ups When Jax's estranged mother mysteriously disappears he sees an opportunity to spend more time with Clara After convincing her to

Isa & the Guy Next Door Jessica Sorensen , I ve always been the girl that never fit in This is kind of a problem since I ve had a huge crush on Kyler my next door neighbor who s one of the most popular guys in school But I m pretty sure he s never going to see me as anything else except the weird girl who lives next door And that s okay I ve learned to accept that I have bigger problems to worry about anyway like the fact that my family has been keeping a secret from me for years It s something that s always bothered me so when I take a summer trip overseas with my grandma and cousin I decide to poke around and see if I can solve the mystery But solving an old family secret is proving to be more complicated than I thought Enter Kai Kyler s younger brother Kai used to be my sworn enemy but now he s offering to help me figure out the mystery surrounding my family I m not sure why he wants to help me but I guess there s no harm in it What we end up discovering though is way darker than I ever could ve imagined

The Secret Life of a Witch Jessica Sorensen, I have a secret I m a witch Okay maybe it s not that big of a secret At least not in Mystic Willow Bay a town where practically every paranormal creature lives Still I have plenty of secrets Like the fact that I suck at casting spells which is a huge problem considering I m a witch I can also talk to dead bodies and I m secretly working on a spell that will hopefully revive my sister from the dead Other than that I m just an average witch who spends most of my time going to school practicing spells and hanging out with Hunter a sexy wizard who I have a huge crush on Yep that s my life in a boring magical spell Or well I thought so But when I cross paths with a tricky demon I realize nothing about my life is what it appears to be This is a paranormal witch mystery romance that features magic mystery and a lot of humor

The Rules of Being Friends Jessica Sorensen , My new life in Honeytown is becoming complicated It all starts when I hear my uncle talking about some sketchy stuff that may have to do with me I also think there might be more to Hunter and his friends than they re letting on like maybe we ve met before Not that everything is terrible Hunter and his friends are nice to me and they ve brought me into their group For the first time I think I might finally have some friends But a lot of mystery still surrounds me And I m still being blackmailed by someone I need to figure out the truth about my past and fast
