[Fentanyl And Our Kids: A Parents Guide To Navigating The Epidemic](#) Janette Viney , 2023-05-03 The purpose of this book [Fentanyl And Our Kids: A Parents Guide To Navigating The Epidemic](#) is to provide parents with the necessary tools and information to help their children navigate the dangers of fentanyl abuse Fentanyl is an extremely potent synthetic opioid that has been responsible for a significant increase in overdose deaths across the United States particularly among young people As a parent it can be

overwhelming and frightening to think about the possibility of your child becoming addicted to fentanyl or any other drug. However, it is important to remember that you are not alone in this struggle. This book is designed to help you better understand fentanyl, its effects on the body, and how addiction develops. Through the pages of this book, you will learn about the signs and symptoms of fentanyl abuse, as well as the risk factors that may make your child more susceptible to addiction. You will also gain insight into the various treatment options available for those struggling with addiction, including medication-assisted treatment and behavioral therapies. Ultimately, the goal of this book is to empower parents with the knowledge and resources they need to help their children avoid fentanyl abuse and overcome addiction if it does occur. It is our hope that this book will serve as a valuable tool for parents and caregivers who are concerned about the impact of fentanyl on their children and their communities. We believe that by working together and staying informed, we can help prevent the devastating consequences of fentanyl abuse and ensure that our children have a bright and healthy future. We hope that this book will serve as a valuable resource for parents and caregivers who are looking for guidance and support in navigating this challenging epidemic.

The Modern Parent's Guide to Kids and Video Games Scott Steinberg, 2012-02-01. The Everything Parent's Guide to Children with OCD Stephen Martin, Victoria Costello, 2008-08-17. OCD can make a child's life difficult, turning simple tasks like homework and chores into almost impossible challenges. A child with OCD may feel stressed, worried, and even inadequate. Parents who suspect their child is suffering from OCD, or parents of a child with an OCD diagnosis, can now rest. This helpful guide helps parents with many issues recognize symptoms, get an accurate diagnosis, find the right doctor and therapist, develop strategies for tackling schoolwork, and decide on the right treatment. Parents will learn how to talk to a child about OCD and devise coping strategies for school, sports, friendships, and other everyday situations. Children with OCD can learn how to enjoy life without all the worry.
