Peter Selgin, 2019-08-15 *Your First Page* is unlike any other craft book on writing. It is based on the premise that practically everything that can go right or wrong in a work of fiction or memoir goes wrong or right on the first page. Those first 300 or so words function like canaries in coal mines forecasting success or predicting trouble. They establish the crucial bond between writer and reader, setting them off together on a path toward the heart or climax of a story, or they fail to do so. From first pages we stand to learn most of what we need to know to succeed as authors. This new workshop and classroom edition of *Your First Page* has been revised to better fit the needs of creative writing classrooms and workshops. Screen World 1998 John Willis, Barry Monush, 1999-02-01 Covers American and foreign films released in the United States each year with listings of credits and profiles of screen personalities and award winners. American International Pictures Rob Craig, 2019-02-15 *American International Pictures* was in many ways the missing link between big budget Hollywood studios, poverty row B movie factories and low rent exploitation movie distributors. AIP first targeted teen audiences with science fiction, horror and fantasy, but soon grew to encompass many genres and demographics. At times it was indistinguishable from many of the major studios. From *Abbey* to *Zontar*, this filmography lists more than 800 feature films, television series and TV specials by AIP and its partners and subsidiaries. Special attention is given to American International Television, the TV arm of AIP, and an appendix lists the complete AITV catalog. The author also discusses films produced by founders James H. Nicholson and Samuel Z. Arkoff after they left the company. *AFI Catalog of Motion Pictures Produced in the United States* American Film Institute, 1971. Screen World 2002 Tom Lynch, 2002-12-01 *Screen World* Every significant U.S. and international film released from January 1 to December 31, 2002, along with complete filmographies, cast, characters, credits, production company, month released, rating and running time. Also included are biographical entries, an unmatched reference of over 2,250 living stars including real name, school place and date of birth. **Wood Working Digest**, 1958. *Universal Pictures* Michael G. Fitzgerald, 1977 *Panorama* history of Universal Studios.
