Praxis II Early Childhood , Praxis II Early Childhood Mometrix Exam Secrets Test Prep Team,2013 *The Intricacies of Love and Intimacy* Ami Rokach,2024-08-30 This book explores the meaning of love and intimacy from a variety of perspectives specifically philosophical psychological and cultural This volume is a focussed study on what makes them and what may break love and intimacy Love and intimacy are central to us is sought by almost everyone and while we seem to know what they are they are not easily described The present volume includes eleven chapters which are divided into two parts The first part describes the meaning of love intimacy and romantic relations and the second highlights what may go wrong in such relationships and why The book explores theoretical debates and contemporary research around emotions and will be of interest to students and researchers of psychology philosophy as well as sex marriage and family therapists and counselors The chapters in this book were originally published in *The Journal of Psychology* Essential Interviewing and Counseling Skills, Second Edition Tracy Prout,Melanie Wadkins,Tatianna Kufferath-Lin,2021-08-11 The only comprehensive interviewing and counseling text grounded in a strong multi theoretical foundation Structured around CACREP standards *Essential Interviewing and Counseling Skills Second Edition* uniquely encompasses both theory and practice from the perspectives of a diverse array of theoretical schools and practice strategies While continuing to disseminate counseling fundamentals the second edition focuses extensively on the acquisition of robust interviewing and counseling skills including special preparation for the initial assessment and counseling session It is also distinguished by its integration of cognitive behavioral and psychodynamic therapy approaches Throughout the text emphasizes the importance of multicultural humility and a multicultural orientation to counseling including challenging students to examine their own backgrounds and biases This latest edition also addresses key aspects of telehealth that have come to the fore during the COVID pandemic The use of case examples throughout highlights multiple theoretical approaches and illustrates how to integrate a wide range of perspectives With an emphasis on counseling clients from diverse cultural backgrounds each chapter focuses on strategies for working with varied populations with an emphasis on intersectionality The authors consider many forms of diversity including race ethnicity immigration and country of origin along with age gender sexual orientation religion language and physical and cognitive abilities Purchase includes digital access for use on most mobile devices or computers Updates to the instructor s resources include an Instructor s Manual Power Points and a new test bank New to the Second Edition Includes a new chapter on Theoretical Integration of Approaches in Counseling New discussions on how to successfully use telehealth for interviewing and counseling Includes Hot off the Press boxes highlighting cutting edge research to inform strategies for counseling and professional development The entire text has been updated with the latest research and clinical references Key Features Includes an emphasis on multicultural competence and humility throughout the text and features a Spotlight on Culture focusing on specific cultural considerations in each chapter Provides a balanced integrated theoretical and practical

approach to interviewing and counseling with a focus on skills development Discusses evidence based practice assessment diagnosis and when how to end treatment Teaches the fundamental skills of empathy active listening treatment planning and developing a strong therapeutic alliance with the client *Designing and Evaluating Digital Health Interventions* Kim Cornelia Marie-Louise Bul,Nikki Holliday ,Edith Talina Luhanga,2025-08-22 Digital Health Interventions include a broad and wide spectrum of interventions aiming to improve mental and physical health across different contexts e g hospital community and populations e g maternal diabetes renal ADHD Autism Well designed interventions consider theoretical frameworks of behaviour change human centred design through patient and participant involvement and engagement PPIE as well as co design usability feasibility and robust evaluation through trials to ultimately prove its effectiveness in improving people s health Challenges remain in terms of intervention description technological issues mismatch between Digital Health Intervention and user needs long term engagement funding models as well as deciding on what the most optimal evaluation approaches are in deciding upon its effectiveness **Current Catalog** National Library of Medicine (U.S.),1980 First multi year cumulation covers six years 1965 70 **An Intersubjective Mentalization-Based Primer** Johann Steinberger,2025-10-02 This book explores how Affect Resonance Training ART as developed by the Viennese psychotherapist Johann Steinberger offers students and trainees in psychosocial professions the opportunity to develop competence in empathy allowing them to better understand themselves and others Based on concepts of empathy resonance and mentalization this innovative mode of teaching offers effective tools and training for empathetic understanding This book presents clear instructions for its application in the classroom summarizing several years of intensive institutional practice The book also outlines the program s rich theoretical background and documents its empirical effectiveness With clear instruction on the use of ART and clinical insights on how increased empathy is effective in therapeutic settings this book is essential reading for psychoanalysts psychotherapists and others across the psychosocial professions **Rethinking Perception and Centering the Voices of Unique Individuals: Reframing Autism Inclusion in Praxis** Nerren, Jessica Block,2022-06-30 Ensuring classrooms are inclusive to all students particularly those with disabilities such as autism spectrum disorder is crucial in today s educational landscape It is vital that educators are prepared and knowledgeable on the current best practices and policies in order to provide these students with the most thorough education possible Rethinking Perception and Centering the Voices of Unique Individuals Reframing Autism Inclusion in Praxis introduces a new model of reframing autism spectrum disorder inclusion for professors of preliminary teacher candidates and provides meaningful understanding and support for professors who prepare preliminary teacher candidates Covering key topics such as equity mental disorders inclusive education and educational reform this reference work is ideal for administrators stakeholders policymakers teacher educators counselors researchers academicians scholars practitioners instructors and students **Developing Psychotherapeutic Innovation and Imagination through Phenomenology and Qualitative**

Research Del Loewenthal, Angela Abela, 2025-09-29 This book presents contemporary studies in qualitative psychotherapeutic research examining their effectiveness in developing psychotherapeutic innovation and imagination There is a focus on phenomenology particularly given the growing prominence of interpretative phenomenological analysis IPA The book explores the tension between different forms of therapeutic knowledge theoretical explicit knowledge practice derived explicit knowledge and the crucial yet elusive tacit knowledge that emerges through clinical experience While qualitative research methods attempt to transcend the limitations of quantitative approaches and access the communities of practice where tacit knowledge resides the book questions their effectiveness in this pursuit It argues that although phenomenological approaches offer valuable insights into both explicit and tacit dimensions of therapeutic practice their increasing psychological orientation rather than adherence to philosophical foundations may ultimately constrain psychotherapeutic innovation and imagination This volume will appeal to psychotherapists clinical psychologists qualitative researchers in mental health and graduate students in psychology and counselling It addresses key subject areas including psychotherapy research methodology qualitative approaches in mental health IPA applications philosophical underpinnings of therapeutic knowledge and the ongoing debate around evidence based practice in psychology Academics researching psychotherapy and practitioners seeking to understand knowledge development and innovation in therapy will find this work particularly valuable The chapters in this book were originally published as a special issue of European Journal of Psychotherapy and Counselling and are accompanied by an updated Introduction and a new Endnote *Guide to Equine Assisted Therapy* Yuval Neria, Prudence W. Fisher, Allan J. Hamilton, 2025-02-12 Approximately one in five adults and one in seven children and youth suffer from mental health disorder over their life span Yet available treatments for mental health problems are only moderately effective and about half of those who need treatment are not benefitted by current treatments and many don't even seek them Equine assisted therapy is a novel experiential treatment approach showing significant promise for adults children and youth across a range of mental health problems These treatments use a horse or horses to facilitate communication and mindful awareness of thoughts emotions and behaviors in an experientially oriented approach via groundwork or riding Interactions with horses have shown to foster emotional regulation self confidence reflection and insight by which well being is facilitated The current book describes the rationale for these treatments add to the knowledge about recent progress in applying them to posttraumatic stress disorder PTSD anxiety attention deficit hyperactivity disorder ADHD and more and analyze the nature of the bonding between humans and equines which makes these relationships so therapeutic and healing
