*Prayer* Timothy Keller, 2014-11-04 Renowned pastor and New York Times bestselling author of *The Prodigal Prophet* Timothy Keller explores the power of prayer Christians are taught in their churches and schools that prayer is the most powerful way to experience God But few receive instruction or guidance in how to make prayer genuinely meaningful In *Prayer* renowned pastor Timothy Keller delves into the many facets of this everyday act With his trademark insights and energy Keller offers biblical guidance as well as specific prayers for certain situations such as dealing with grief loss love and forgiveness He discusses ways to make prayers more personal and powerful and how to establish a practice of prayer that works for each reader Dr Keller's previous books have sold more than one million copies His Redeemer Presbyterian Church is not only a major presence in his home base of New York it has also helped to launch more than two hundred fifty other churches in forty eight cities around the world His teachings have already helped millions the majority of whom pray regularly And with *Prayer* he'll show them how to find a deeper connection with God *Prayer* Timothy J. Keller, 2014-11-06 Can't anyone teach me how to pray Millions of people today are asking the same question There is a sense of the necessity of prayer we have to pray But how Prayer is central to Christian faith indeed as Timothy Keller notes in his introduction it is the main way we experience deep change Yet so many people struggle with prayer a struggle that the author himself has shared This wise and inspiring book is the fruit of those struggles offering a real and glorious vision of what it can mean to seek God in prayer Keller begins by giving a theological underpinning of what prayer actually is both conversation and encounter with a personal God before describing how we can learn to pray and then deepen that prayer Finally he gives detailed practical suggestions on how to make prayer a part of the reality of daily life *Prayer* Timothy Keller, 2014-11-06 Tim Keller's *COUNTERFEIT GODS* located our main personal and social problems in idols of the heart this is essentially its sequel a very practical book on how to dismantle those idols and bring about deep and permanent changes in our character and behaviour Tim begins by focusing on the means for growth The basic tool is prayer including reflective prayer that expands self knowledge meditative prayer that makes beliefs real to the heart and changes personal identity confession that cleanses the conscience and reshapes the affections and communal prayer and worship that seals us into a life changing community which renews human relationships After exploring these means for change Tim examines the gospel virtues the specific changes in character that these measures can produce and ends with an incredibly practical workable section on daily weekly and monthly spiritual exercises and practices This is a book that will teach you to pray and in doing so will change your life
