

SHORT OPENING PRAYER FOR WORSHIP SERVICE

“Father God, thank You for being with us at this very moment at the beginning of this meeting.

Allow us to have a simple meeting, full of faith and always in Your presence. Allow the light to enter our hearts and our souls.

May we feel Your presence, now and forever.

Amen”

Spurgeon the Pastor Geoffrey Chang, 2022-08-09 How would you get more than 5 000 people to show up at your church Almost every pastor feels the pressure to get people in the doors More people means more success more stability and more godly influence right Often in their zeal for fruit and growth pastors and church leaders adopt worldly mechanisms for church growth that end up undermining the very call God has given them Charles Spurgeon the Prince of Preachers was a pastor to well over 5 000 people in a day long before mega churches were the norm But you might be

surprised to know that Spurgeon's vision for ministry was not pragmatic. He did not borrow best practices from the business leaders of his day. Rather, his ministry vision was decidedly staunchly biblical and theological in nature, and it was a ministry vision we ought to adopt more than a century later. In Spurgeon, the Pastor Geoff Chang, director of the Spurgeon Library at Midwestern Seminary, shows how Spurgeon models a theological vision of ministry in preaching, baptism, and the Lord's Supper, meaningful church membership, biblical church leadership, leadership development, and more. Don't get caught up in worldly methods to pursue ministry growth. Follow the example of the Prince of Preachers and entrust your ministry to the sovereignty of the Prince of Peace.

A Sense of Belonging Hilton Scott, 2022-03-08. This book takes an interdisciplinary approach to a societal challenge that both affects and is affected by the church in multi-racial, multi-cultural, and otherwise pluralistic communities. In certain contexts around the world, there are pertinent examples of the struggles that come with learning to live together in the midst of diversity and plurality, such as the post-apartheid Republic of South Africa. However, these more often than not racial and cultural struggles could be eased by developing worship services that are more relevant and inclusive. This, in turn, should instill a sense of belief and a way of inclusive thinking, culminating in more inclusive living. The approach developed in this book stems from the aphorism *lex orandi, lex credendi, lex con-vivendi*, or as we pray, so we believe, so we live together.
