*Praying in the Spirit* O. A. Roberts, 2011-03 Introduction excerpt There s no doubt that praying in the spirit or praying in tongues is a mystery In my own definition a mystery is a hidden secret that is not open to all except it has been unravelled by another Many speak in tongues but because they lack an understanding of its potency and benefits they do not fully maximise all that it generates Anything done in the kingdom produces according to spiritual understanding That s why Paul said I speak with tongues more than ye all 1 Cor 14 v 18 He had an understanding of the benefits of this heavenly language That s why he excelled so much in his life Until I got an understanding of these mysteries also I never saw much results and struggled I had been praying in the spirit but with little results But not after understanding came by virtue of understanding results have been tremendous and these are the truths I want to share with you The scripture says open thou mine eyes that I may behold wondrous things out of thy law Psalm 119 v 18 There are wondrous things to behold when you pray in the language of the Holy Spirit Until you see them and persistently pray in this language you can t possess these wonders No Christian can fully enjoy his Christian race without prayers And no prayer can be more effective than the prayer done in the language of the Holy Ghost Everyone I know who have a solid 5 ministry or a sound Christian walk have been those who deeply engage this prayer language So open your heart as I take you to the place of understanding and increase your desire to delve deep in the language of the spirit realm which is the pass you need to the miraculous the ticket for signs and
