It is important to do whatever it takes to make one's dreams in life a reality.		
If someone's elder tells them not to believe something, then they should listen to them.		
Even if a goal seems nearly impossible to attain, a person should be willing to make sacrifices to achieve it.		
A person must adapt their goals to match their level of financial success throughout life.		
It is okay to lie to someone that you love if it makes them happier.		
It is a parent's duty to provide their children with the same opportunities that everyone else has.
