With mouth-watering recipes and in-depth explanations of essential Italian cooking techniques, this book is perfect for anyone looking to elevate their home cooking to the next level. It also includes a comprehensive introduction to Italian cooking, including the essential ingredients and basic cooking

techniques I've also included tips and tricks for beginners to help them feel more confident in the kitchen. Of course, no Italian cookbook would be complete without a section on pizza and calzones. I've included a basic pizza dough recipe as well as instructions for making classic Margherita pizza and more. But the fun doesn't stop there; you'll also find recipes for other Italian favorites like arancini and chicken Parmigiana.
