Category On the occasion of Cook's Illustrated's 25th anniversary we've gathered together our most extraordinary recipes and innovations from the past quarter century in this hands-on book packed with practical tips and techniques. These recipes tell the story of how Cook's Illustrated has changed American home cooking through its signature blend of rigorous testing, culinary research, science, and unorthodox approaches to developing foolproof recipes. As fans know, a big part of what makes the magazine so trustworthy and enjoyable to read is the essays that accompany each recipe, tracing from initial brainstorming to aha moments and the occasional catastrophe to final success. Rarely republished since they first appeared, these feature-length stories celebrate the art of food writing and the extensive work that goes into every recipe. In addition to the recipes, essays, and helpful sidebars, this book also features the trademark black and white illustrations that have become synonymous with Cook's Illustrated, creative use of the beloved front and back cover art, and a new addition: gorgeous full-color photographs of each dish. Featured recipes include Perfect corn on the cob that never gets boiled, ultracreamy tomato soup that's completely dairy-free, the fastest roast chicken recipe, oven-grilled London broil, and ingenious low-key approaches to traditionally high-fuss recipes such as risotto, French fries, pie crust, and many more.

Good Housekeeping Great American Classics Cookbook Beth Allen, 2004. An illustrated celebration of the best in traditional American cookery presents a host of favorite recipes for classic dishes and is accompanied by historical sidebars on the history of American cuisine.

drugstore clerk Rhonda Scharf which he plans to tear down in order to build the dream home he and Hannah designed. It seems the plan has been cooking for quite some time and Hannah is shocked, especially since her ring finger is still very much bare. The good news is that the soon-to-be-torn-down house is full of antiques and Norman has given Hannah and her mother first dibs. They uncover some gorgeous old furniture, a patchwork quilt, and Rhonda Scharf's dead body. A little more sleuthing turns up the half-eaten remains of a very special dinner for two and one of The Cookie Jar's famous lemon meringue pies. Now it's up to Hannah to turn up the heat and get busy tracking down clues. Starting in her very own kitchen.
