Veronica Whitfield feels like a frumpy old maid. After ten years of raising her younger siblings, she's desperate to get her sexy back. And why not find it with the man she's been in lust with since she was twelve years old: her brother's best friend, Finn O'Reilly? Finn is looking for love, and not any love, true love. Complete with the white picket fence, two children, and a dog, he's just been a little unlucky finding it, and he's sure as hell isn't about to consider his best friend's little sister for the job, no matter how badly he wants her in his bed. But then Veronica propositions him with a game of dark, delicious seduction. Finn is tempted to indulge his hidden need for kink, but at what cost? Following through could very well ruin their friendship, but maybe just maybe helping Veronica rediscover her sexy side is exactly what he needs to find love at last.
