also addicted to chocolate and can't help it. Do you think chocolate makes you feel better and happier too? There's plenty of us. I have to say personally I couldn't conceive of a cake without chocolate. It's my obsession, my sweet obsession. Ever since I was little saying sweet means chocolate to me. Since I follow the a plant based diet I have learned to adapt all the recipes I love replacing all the ingredients based on animal with those allowed. I have to say that the result is often better not only in regard to health but also to flavour. This collection of recipes that I present to you is exquisitely vegan however you can easily modify some ingredients if you are on a keto vegan diet for example using eggs instead of substitutes. This will obviously lead to a slight change in nutritional information but if you already follow a keto vegan regimen it won't be a problem and then at the end of the day you can give in to a temptation especially if it's for chocolate. In this chocolatey and seriously dangerous book you'll find 50 recipes described in details so that you will be able to make them at home quickly and with minimum cost. You'll find all the most popular chocolate cakes and pastries, cookies, donuts, muffins, cheesecakes, mousses, fondues and also the most popular Italian sweets such as Tiramisu and the Torta Caprese. You will also find very easy conversions, tables of weight and volume. As Oscar Wilde said: The only way to get rid of a temptation is to give in to it. Let yourself be tempted and enjoy your chocolate along with friends and family, you'll see what a surprise. Don't wait any longer. **BUY NOW** **Veggie Good**

Ladybug-Judy, 2011-09 Sometimes as vegetarians we feel that our food options are limited. My husband loves desserts but does not have many options since he does not eat eggs. I started experimenting successfully with many of our favorite savory dishes, specially the desserts. About 2 years ago my youngest son said hey mom it's time for you to get your cookbook out there. My family has been very supportive. We have had fun trying out new recipes although some of them may have been a disaster. I can assure you that my flops are not included in the book. I love to draw so the illustrations in this book are my humble creations.
