the skills to make these recipes Not to worry I ve included three skill ratings to help determine where to start from rookie bakers with no experience to seasoned bakers that like a challenge Also I ve included a chapter on tips and tricks that I ve learned over the years that make baking easier and more successful You follow my tips and tricks and my straight forward recipe instructions and I guaranteed you ll be rewarded for it regardless of the recipe you pick And as a final aid each recipe includes a color photo I took of the finished recipe to show you what yours will look like too Finally with over 70 coffee cake recipes to pick from including a gluten free one I m confident that you ll find one that matches your skills and equally important impresses whoever you decide to share it with Regardless of your baking experience this Coffee Cake Comfort Food Recipe Photo Book is for you
