**The BERMUDA TRIANGLE** Anna Revell, 2017-08-15 THE BERMUDA TRIANGLE The Strange Unexplained Mysteries of the Deep The Bermuda Triangle is a loosely defined area of the western part of the North Atlantic Ocean where numerous aircraft and ships have reported strange occurrences with some completely vanishing without trace While some people dismiss the idea that there is something strange happening in the area it is after all one of the busiest shipping lanes in the world with aircraft regularly flying over it others remain convinced that a murky secret lurks in the waters of the Bermuda Triangle As early as the 15th century people were reporting strange activity in the western part of the North Atlantic Ocean In 1492 Christopher Columbus experienced odd lights and strange compass readings Despite this and many other incidents and disappearances in the area over the next few centuries it wasn't until the latter half of the twentieth century that the idea of the Bermuda Triangle was firmly established The writer Vincent Gaddis was one of the first people to define the boundaries of the Bermuda Triangle In a 1964 edition of *Argosy* a pulp magazine he positioned its three points as being in Miami on the Florida peninsula San Juan in Puerto Rico and the island of Bermuda in the mid Atlantic This is the true story of the weird and unexplained events happening within the parameters of the so called Bermuda Triangle Many have their theories but what is really going on in this forgotten corner of the Atlantic

**SPECIAL REPORT 2011: Hitler's Secret UFO Weapons** Jack Follett,2010 UFO sightings during and after World War II can be traced back to the German weapons makers and their amazing use of electro gravity to power their own manmade ships Many of the ships appear to bear the sign of the Nazi cross on their outer skin which is shown in several of the more dramatic photos in the same way that an airplane would bear insignia on its wings and fuselage This is further borne out by actual newsclippings from The New York Times in which U S soldiers in Europe reported seeing colored spheres flying both singly and in clusters during the war The idea that the Germans were using a secret base in Antarctica to house and maintain their so called UFOs is examined and Admiral Byrd s famous exploratory trip to the frozen south is explained as a military attack on the Nazi stronghold disguised as a scientific mission Apparently the U S forces were no match for the Nazi airships which shot down several planes and forced Byrd s troops to retreat
