

## **Book Report: Bridge to Terabithia**

Bridge to Terabithia is a children novel written by American author Kathrine Paterson. The book that published in 1977 by Thomas Y. Crowell Co has a major success and won the Newberry Medal in 1978. The author itself, Kathrine Paterson, is known for children book and book for young people. Her other book that also has a major success in children literature is Jacob Have I Loved, The Master Puppeteers, and The Great Billy Hopkins. Paterson is well-known for her contribution to American literature for children. She is a vice-president of the National Children's Book and Literacy Alliance and she also the 2010-2011 National Ambassador for Young People's Literature. Beside her career as an author, Paterson is also a mother of four. She also explained the story of Bridge to Terabithia is inspired and based true life event when her son's childhood friend was struck and killed by lightning.

The novel tells the story of fifth grader Jesse Aarons, who becomes friends with his new neighbour, Leslie Burke, after he loses a footrace to her at school. Leslie is a tomboy from a wealthy family, and Jesse thinks highly of her. Jesse is an artistic boy from a poorer family who, in the beginning, is fearful and angry. After meeting Leslie, however, his life is transformed. He becomes courageous and learns to let go of his frustration. The two children create a kingdom for themselves, which Leslie names "Terabithia."

The setting take place in rural area in Virginia. The region predominantly cover with farms, hill, and forest. As it looked from the description about the school, it can be inferred that the infrastructure is insufficient and conventional. The main discussion in this book is about children's life and their daily interaction with people around them weather in school, home, and mostly in their playgroup. Beside that, there is a major problem that has a lot of influence that is family issue. It is stated implicitly in the book that parenting, ambience and condition in home with family has crucial effect on children's behaviour and personality. As a matter of fact, the book is depicted Leslie as cheerful, confident, and idealist. It has a correlation to the family background where her both parents are a wealthy author that eccentric and open-minded. That is an obvious contrast to Jesse's family. Hectic household with lot of children and a bunch of financial issue. Traditional and conservative farmer family. The result in Jesse personality is pretty much against Leslie. Wistful sceptical little boy.

The author described things beautifully in a very pure way. It can be seen in one of the plot *"Leslie ran off the bus as if it her instinct. That's remind him to the untamed goose that flew in the autumn. 'Beautiful' is a word that come to his mind, but he threw it away and rushed home."* The other part is how they depicted Terabithia as an imaginary kingdom and they are the ruler. It is a pure children expression that who ever can related before they became mature realistic human being. Terabithia is an escape for them two from the world and all problem that they had. Although the book is a story about children, there are some source that stated the book is too much heavy for a kids to read. There are some swear word and the value of atheism in the book. It can be inferred from Leslie disbelief of the bible and god. The book also has been banned in many places since it was published in 1977.
