Requite Lieutenant Kane Series :

Requite E. H. Reinhard, 2016-04-04 Tampa homicide lieutenant Carl Kane is enjoying a new work schedule a budding romance off duty and a lull in recent murders that is until he is requested to a murder scene in a neighboring district A seemingly normal husband and wife are found bludgeoned to death with words carved into their flesh The partial message left in the victims ensures more bodies will follow It doesn't take long before they do Kane quickly realizes that this is revenge in its most sinister form He must bring the man behind the murders to justice before the message is complete the body count rises and the killer disappears forever A tall task when everyone involved is either dead or deceitful **Beset**

E.H. Reinhard, 2017-12-01 When a spring breaker is found with his head all but removed along the side of a posh Miami Beach hotel Lieutenant Nash Harrington is tasked with tracking down the person responsible But the dead college kid in the bushes is only the beginning The victim came to town with friends friends who start dropping like flies Just as the lieutenant closes in on his killer the case takes an immediate left turn into the unknown a place where Harrington could find himself directly in harm's way **Vestige** E.H. Reinhard, 2018-01-11 A master killer is hunting on Miami's streets and he is taking trophies from the bodies he leaves behind For Miami Homicide Lieutenant Nash Harrington tracking down this suspect isn't coming easy No evidence seems to connect the victims and each appears to be chosen at random With each new homicide the killer's bravado escalates The sheer level of boldness in the attacks isn't something Harrington or anyone from his department has seen before The killer is searching for a worthy prey and he might have just found one **Variant** E.H.

Reinhard, 2018-04-17 As the Miami Homicide Bureau's lead detective Lieutenant Nash Harrington has seen just about every way one person could take another's life Still the latest scene is something new It isn't the woman who was violently stabbed to death in her bed Nash has seen similar scenes countless times It isn't the fact that there were no signs of forced entry murder weapons or suspects He's seen that more times than he could count What is new to the lieutenant is the book lying beside the woman's body The book ominously titled and written by a local author describes the very scene that Harrington has been called to And that scene from the book is just the first As the body count rises Harrington and his team must hunt down the person responsible for the grisly crimes before the entire work of fiction becomes a reality Unknown to Harrington this story may have an alternate ending **Wrath** E.H. Reinhard, 2017-11-21 He'd killed before Infidelity made him kill again Now taking the lives of all the women who've wronged him is his only focus In this tightly plotted thriller homicide lieutenant Nash Harrington realizes one horrific crime of passion is the beginning of a spree A misogynistic killer is targeting every woman he believes has wronged him including one who Harrington loves Wrath is the first novel in the can't miss read all night Lieutenant Harrington Series Believable plots and that's what's troubling set the stage for some dark and gritty cop vs killer action in the streets of Miami Join Nash and his team as they pursue justice for the innocent and go head to head with some of the most ruthless and homicidal adversaries imaginable *The Mysteries of Spider Kane* Mary Pope
